Summary

Activities & Governance

1 Briefly describe the organization's mission or most significant activities:
The mission of Collaborative Support Services, Inc. is to support charitable programming in the State of Hawaii, with a specific focus on early-stage organizations. The Corporation will support this programming through capacity-building activities for early-stage charitable organizations including grant funding, administrative support, and educational seminars and convenings. The Corporation will also serve as a fiscal sponsor for early-stage charitable initiatives, ultimately assisting those initiatives in becoming independent tax-exempt organizations if there is sufficient need, support, and desire for such independence. Non-profit projects in Hawaii are suffering from the time and cost of applying for tax exempt status independently. This entity will allow these early teams to focus on designing and proving the efficacy of their interventions in a more time and resource efficient way.
