Part III - Organization's Purpose

Our Valley Our Future is a collaborative non-profit organization that brings together residents and organizations to improve the region's quality of life. Its guiding document is its Action Plan, which includes more than 160 projects led by partnering organizations. Our Valley Our Future serves as convener, facilitator, data-collector, planner and communicator.

Generally speaking all of our activities focus on benefiting the Wenatchee Valley Region as a whole.

Part III - Line 28

One Community - Discussions were very robust and the outcome was a detailed perspective of what our valley will look like in the future and what we can possibly do to effect a positive effect. The number of people affected was far reaching as participants came from throughout the region. There is still work being done and a White Paper is forthcoming putting together all the information collected and will ultimately reach the residents and businesses in our entire region.

Part III - Line 29

Technology and Innovation Hub - In the same vein as all our other projects - we put together groups who shared the same passion and need to build a hub in the Wenatchee Valley. Many groups connected - GWATA, Wenatchee Valley Chamber, Ports of Douglas & Chelan Counties, Wenatchee Valley College to name a few. The largest focus this year was putting together a white paper reviewing what facilities we had, what the number of technology jobs we can expect in our valley over the next 5 years, and what do we need to get done to be ready. Again, all our projects cover and reach out to the entire Wenatchee Valley

Part III - Line 30

Regional Housing Approach - One of the key outcomes was a report "Where Will We Live?" Contributors from the group included mayors, Community Development Directors, Health professionals, Planning Directors, Builders, Bankers, Non-profits, Realtors, Attorneys and many others from across Our Valley. After analyzing all the input from the community, the group developed several recommendations and also assigned responsibilities to each item for completion. As well, the reach of this project is all the entire Wenatchee Valley.
