Return Reference	Explanation
Schedule I Part I Line 2	All recommendations must be a 501(c)(3) charitable organization or qualified tax exempt organization. The 501(c)(3) tax status letter from the IRS must be on file. All 501(c)(3) letters are connected to the organization in our database, Foundation Information Management Systems(FIMS). If it is a new organization to the Foundation, the non-profit is contacted and requested to fax, email or mail the 501(c)(3) to the Foundation office. Requests cannot move through the process without the 501(c)(3) on file. If the request is for other than general operating support, if needed, a program officer will make contact with the non-profit organization to ensure the program is charitable and the grantee is able to perform the proposed activity. All grant awards are mailed with a grant agreement that states by accepting this check, you certify that your organization is currently recognized by the IRS as a 501(c)(3) public charity or a qualified tax exempt organization such as a school or a church, and that the grant is fully tax deductible. For grants over \$7,500, grant awards are mailed with a grant agreement which includes a mandatory annual report on how the funds were used.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990 Part VI Section B Line 15	<p>The performance evaluation of the CEO is a two-part process - a formative assessment that occurs all year and a summative assessment that occurs at year end. The formative assessment occurs as no less than monthly meetings between the CEO and the Board Chair. These meetings are a chance to talk over current projects, recent achievements, and upcoming events or projects. During the meetings, the Board Chair takes notes on the progress of the CEO toward meeting the organization's goals as outlined in the annual workplan and overall strategic plan. The summative assessment begins at the start of the fourth quarter of the calendar year. The Performance Review Committee (PRC), appointed annually by the Board Chair, requests the CEO compose a self-evaluation to include: performance against job competencies, goal achievement summary, a list of any additional accomplishments, and an initial draft of the ensuing year's goals. At the same time, the PRC collects additional information and feedback from board members, key volunteers, and staff as appropriate. After reviewing the CEO's self-evaluation, the PRC meets to draft its comments/feedback. The PRC then meets with the CEO to discuss the performance review and finalizes the annual evaluation. The Board Chair then presents a brief performance review summary to the Executive Committee in Executive Session. Approval is needed from the Executive Committee for the ensuing year's annual goals. The Executive Committee may discuss/recommend a change to the CEO's compensation at this time for subsequent board approval. At its Annual Meeting in Executive Session, the Board Chair provides a brief performance review summary for the entire board. The Board Chair may, at this time, recommend a compensation change for the CEO. The Board Chair also presents the list of proposed goals for the ensuing year. Board members discuss and come to consensus on goals and compensation adjustments, if any. The Board adjourns from Executive Session and votes to approve the performance review, compensation, and goals for the ensuing year. Following board approval, the Board Chair meets with the CEO to finalize the annual review process.</p>
