For more than 20 years, the foundation has partnered with community-based organizations to fund programming that advances oral health equity. As a health equity funder, we increase education and oral health awareness, inspire health care collaborations and address other related expenses incurred to administer grants through systems-level and community-based efforts. Two examples include an initiative that aims to support community health centers to provide high quality oral health care and increasing awareness of community water fluoridation as a public health intervention.

4d Other program services (Describe in Schedule O.)

(Expenses \$ 1,695,546 including grants of \$ 342,570) (Revenue \$)

Form 990 (2019)

Form 990, Part III, Line 4a:

Our responsive grant-making opportunity included a statewide call for applications to increase access to preventive dental care for historically underserved Coloradans, and/or prevention of oral disease in children under age 10 and pregnant women. We partnered with 29 Colorado nonprofits and committed to providing \$3.4 million over three years to improve community oral health. Grantees were selected because they serve populations that experience significant oral health disparities.

Form 990, Part III, Line 4b:

Invited grants were awarded to organizations working within policy and advocacy or systems change efforts.

Form 990, Part III, Line 4c:

The Colorado Medical-Dental Integration Project integrates preventive oral health services into primary care medical settings. Hygienists placed in medical clinics provide oral health care and make referrals to local dentists when further treatment is necessary. The goal is to reach families who have limited access to dental care due to location, insurance status and transportation issues. We have invested \$6.3 million and funded 26 medical clinics reaching 27 communities in up to 39 locations throughout Colorado.
