GENERAL INFORMATION

Projects Funded by the Foundation.

The Foundation will provide funding to charitable organizations for projects which benefit Erie County, Pennsylvania and the other communities in which the Directors reside. The Foundation will concentrate on funding requests for specific, tangible items or projects in which the funds provided by the Foundation will have a substantive impact. The Foundation will not normally provide funding for: (1) program advertising; (2) fundraising events; (3) normal operating expenses; (4) deficit reduction efforts; (5) replacement of government or other funding; and (6) organization start ups.

Organizations Eligible to Receive Funding.

In order to receive funding from the Foundation, an organization must normally be tax-exempt under Section 501(c)(3) of the Internal Revenue Code. However, if an organization does not have this designation, it may still be eligible to apply if another tax-exempt organization acts as its fiscal agent.

Timetables and Process

The Foundation will normally consider grant applications on an annual basis at its annual meeting. In order to assure consideration of an application at a particular meeting, applications should be received by the Foundation at least thirty (30) days before the date of the annual meeting.

The foregoing deadlines are not intended to preclude the receipt and consideration of applications outside such time frames. However, absent unusual circumstances, the Foundation would normally expect to process applications in accordance with this schedule. If a grant application is received after the deadline, the grant application will be considered at the next annual meeting.

Form of Application.

The Foundation requests that Applicants use the form of application which is attached.

The form of application is not intended to be "one size fits all". Applicants are encouraged to submit any additional information which the Applicant deems relevant in the form of attachments to the application.

If the Board of Directors is familiar with certain charitable organizations, the Foundation will still require the basic grant application information in order to enable it to determine not only that the organization is a qualified recipient, but that the proposed funding request meets the Foundation's criterion.

The Foundation's objective is to benefit charitable organizations that support and enhance the charitable and educational purposes for which it was organized.

INSTRUCTIONS

Section 1.1 Name of Applicant. It is important that you provide us with the full correct legal name of the Applicant, including any corporate designation such as "Inc.".

Section 1.4 Section 501(c)(3) Organization. It is important for the Foundation to know whether the applicant is a Section 501(c)(3) tax exempt organization. If you are uncertain as to the status of your organization, your accountant or legal adviser can assist you in determining the organization's status.

Section 2.1 Amount Requested From Foundation. Please specify the entire amount of the grant being requested.

Section 2.2 Date(s) Disbursement(s) Requested. Please provide the date by which the funding is required. If you are requesting funding in more than one disbursement, please indicate the dates on which you are requesting funding and the amount of each disbursement.

Section 2.3 Project Description. Please describe the project in reasonable detail. You are not limited to the space provided, but may provide whatever description you believe appropriate. You may attach the description as a separate document marked "Attachment 2.3". The same applies to Sections 2.4 through 2.8.

If you are acquiring equipment or similar tangible items, please describe the items and attach, if practical, brochures or other product literature describing the items.

Section 2.4 Project Purpose and Community Benefit. To the extent not covered in Section 2.3, please describe the benefit of the project to the applicable community. If applicable, please quantify the number of individuals that will be served as a result of the project.

Section 2.5 Project Budget. Please describe the overall budget for the project.

Section 2.6 Project Funding. To the extent not provided in Section 2.5, describe each source of funding for the project, including the Applicant's own resources. Please indicate whether the Foundation's funding will act as matching funds for other funding sources.

Section 2.7 Project Timetable. Please indicate when the project will be completed, and any relevant interim milestones, if applicable.

Section 2.8 Additional Information. This section is optional. Please feel free to provide whatever additional information you believe that the Foundation should have in considering your application.

Section 3.1 Attachment of IRS Determination Letter. Most Section 501(c)(3) organizations will have a determination letter from the IRS indicating that the IRS recognizes the organization as tax exempt under Section 501(c)(3) of the Internal Revenue Code. Please attach a copy of your determination letter.

Some organizations may not have individual determination letters (such as affiliates of certain organizations, chapters or affiliates of certain national organizations). If you do not have a determination letter, please attach an explanation of why you believe you are tax exempt under Section 501(c)(3). Your accountant and/or legal advisor can assist you in this regard.

Section 3.2 List of Members of Governing Board of Applicant. This list will help the Foundation to know your organization better and to improve communication between the Foundation and the people involved in your organization.

Section 3.3 Other Attachments. Other than the required Attachment 3.1 to the application, please list all attachments. This will enable the Foundation to be certain that it has your complete application. If an attachment relates to a particular section of the application, please mark the attachment with that section number.

Also, if you have an annual report, brochure or similar document describing the Applicant generally and/or the Applicant's activities, we would ask that it also be attached to the application. Again, this will assist the Foundation in learning about, and working with, your organization.
