990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 15a PROCESS TO ESTABLISH COMPENSATION OF TOP MANAGEMENT OFFICIAL	The process to establish compensation of top management officials is undertaken by Nathan Adelson Hospice, a related organization. The compensation arrangements for the organization's President & Chief Executive Officer (CEO) and other senior leaders are subject to the review and approval of the organization's Board of Trustees. A Board of Trustees appointed Compensation Committee comprised of the Vice President of Employee & Volunteer Solutions and three independent Board of Trustees members, ensures the organization's pay structure and benefits programs are fair, competitive (based on market data), and aligned with the organization's business strategy and mission. Additionally, the committee responsibilities include the following: 1) Overseeing all aspects of compensation provided to senior leadership of the organization, including the President/CEO, in order to reward performance while ensuring fiscal responsibility; 2) Establishing overall total compensation philosophy for the organization; 3) Assuring that the hospice's compensation practices are in compliance with applicable laws and regulations; 4) Analyzing state and national survey data; and 5) Retaining advisers to include compensation experts, as it may deem necessary. The Compensation Committee provides an annual salary analysis, including the compensation package for the CEO and other senior leaders, to the Finance Committee. The Finance Committee reviews the compensation package for the Chief Executive Officer and Senior Leadership, in an annual executive session. Once approved by the committee, the compensation package for the Chief Executive Officer is submitted to the full Board of Trustees for review and approval. Formal approval of the annual compensation package is documented in the minutes of the Board of Trustees' meeting. This review last took place in October of 2019. In 2013, NAH engaged an independent group, CBIZ Human Capital Services Group, to perform an organization wide compensation analysis, including a review of current compensation practices and development of a Market Based Compensation Plan. This plan was approved by the Compensation Committee, Finance Committee and Board of Trustees and adopted by NAH in accordance with the organization's compensation policies. This organization wide compensation analysis was re-done in Q1 of 2018 - a top down analysis is recommended every five years as a best practice. For the five years following a compensation study, CBIZ provides a report of actual and projected salary adjustments for all organizations in the Western US including specific healthcare industry compensation. CBIZ will continue to provide updated information annually through 2023. This data is then utilized by the Compensation Committee to make recommendations and adjustments to the organization's salary structure for all employees; including the President & CEO and other senior leaders for the following fiscal year. These recommendations are reviewed/adjusted and
