Describe in Schedule O the process, if any, used by the organization to review this Form 990:

The form 990 is created by the WTA Executive Director with support from staff and volunteers. It is then sent off our our Board for review

We are small non-profit with no donors currently requiring audited financials, thus we currently do not do annual audited reviews.

Once completed, it is send to the IRS

Describe in Schedule O whether (and if so, how) the organization made its governing documents, conflict of interest policy

and financial statements available to the public during the tax year. The WTA's governing documents are available to the public

upon request. We also plan to create a section on our web site to make this more easily accessible. Finally, we are researching

non-profit information web sites to include our information with their documents.

Did the process for determining compensation of the following persons include a review and approval by

independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision: CEO, Executive Director,

Key Staff, etc. The WTA is extremely frugal with its expenditure of funds. This is for any compensations or any payments made

For example the WTA's Executive Director has 15 years of non-profit experience and 30 years of industry experience, yet accepted a 40%

pay cut when moving to the WTA and currently earns only 60% of the average E.D. salary for the DC area. All to support the mission.

Describe in Schedule O whether (and if so, how) the organization made its governing documents, conflict of interest policy, and

financial statements available to the public during the tax year. The WTA makes all of these policies availalbe to the public. We currently

do it upon request. We plan to devote a section of our web site to share this information and are investigating portals to share it on as well.
