Part X FIN48 Footnote	The Mission, Foundation, and Fresno Works, Inc have been recognized by the Internal Revenue Service as tax-exempt organizations under Internal Revenue Code Section 501(c)(3) and have also been recognized by the California Franchise Tax Board as tax-exempt organizations under California Revenue and Taxation Code Section 23701 (d), and contributions to them are tax deductible within the limitations prescribed by the Code. All organizations have been classified as publicly supported organizations, which are not private foundations under Section 509(a) of the Code. FASB ASC Topic 740, Income Taxes, related to accounting for uncertainty in income taxes, prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Standard requires that the entity account for and disclose in the consolidated financial statements the impact of a tax position if that position will more likely than not be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The organization has evaluated the financial statement impact of tax positions taken or expected to be taken and determined it has no uncertain tax positions that would require tax assets or liabilities to be recorded in accordance with accounting guidance. The organizations are relying on their exempt status and their adherence to all applicable laws and regulations to preserve that status.
