#### Overview

College Futures partners with organizations and leaders across the state to catalyze systemic change, increase college degree completion, and close equity gaps so that the vision of a seamless, student-centered educational opportunity becomes a reality—and one that's available to every student, regardless of skin color, zip code, or income.

We are building a shared vision and action plan to leverage all available resources and tools to make the systems change needed for a more prosperous California for everyone

• By promoting student-centered practices, many more students will be able to transition from K–12 through college efficiently and effectively, with equitable outcomes.
