Return Reference	Explanation
FORM 990, SCHEDULE D, PART X, LINE 2 FIN 48	The Organization is a nonprofit organization exempt as a public charity from federal and state taxes. The Internal Revenue Service periodically reviews the exempt status and activities of nonprofit organizations. Since the Organization is exempt from federal and state tax liability, no provision is made for current or deferred income taxes. The Organization uses the same accounting methods for tax and financial reporting. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years after they are filed. The tax open tax years are: 2016, 2017 and 2018.
