Form 990 (2019)

Form 990, Part III, Line 4a:

NARAL Pro-Choice Missouri Foundation (NARAL MO Fdn.) has grown to be a truly statewide organization. NARAL MO Fdn. hosted more than 30 events during the year across more than 20 localities around the state, educating more than 1200 people on issues of reproductive health, rights, and justice. For 35 years, the organization has trained patient escorts at two local clinics providing abortion care. Our signature clinic escort program held four trainings and currently has 165 active clinic escorts. They act as physical barriers to protesters at clinics that provide reproductive health care, including abortion care. NARAL MO Fdn. has a thriving internship program. Drawing from diverse college campuses, the organization had three summer interns and four spring interns who worked on grassroots organizing and communications. Working with staff, they managed a very impressive social network presence and educated Missourians about reproductive health and intersectional issues. Staff, interns, and volunteers held monthly visibility events to educate the public about a variety of reproductive health, rights, and justice topics, including environmental justice, wage equity, workplace discrimination, and abortion access. The organization also provided educational briefing papers to the public about critical health issues and legislation. Over the past ten years, the organization has done comprehensive research about contraceptive access, rape survivors' access to emergency contraception in emergency rooms, access to Title X services, the efficacy of crisis pregnancy centers, the landscape of sex education in Missouri, and a host of other topics related to reproductive rights. The organization is committed to being an anti-racist organization supporting and lifting up the voices of all those most disproportionately impacted by the dangerous abortion ban that passed in 2019. With some 20 organization allies, all working for the health and safety of Missouri women and families, we sought to protect individual rights and the rights of families, worked with faith-community allies, and organized against threats posed by the legislature, policymakers, and in the community generally.
