Form 990 (2019)

Form 990, Part III, Line 4a:

Global Partners believes community leadership is the key to responsible and sustainable development and that local people have the right to drive change in their schools and communities. Education is exceedingly important in the fight against poverty, and, accordingly, our Community-Driven Education (CDE) Program:-Mobilizes low performing primary schools and their communities-Places resources and decision-making power in the hands of local people through community meetings facilitated by Global Partners staff -Builds relationships between schools and local people-Betters communities perceptions of the importance of education-Encourages teachers to integrate into communities-Funds projects that impact attendance and other education and health outcomes that are identified, implemented, and planned by communities

Form 990, Part III, Line 4b:

Many schools in East Africa lack clean water and adequate sanitation systems. A lack of clean water and sanitation leads to decreases in school attendance, higher dropout rates, and an increase in physical, social, and psychological illnesses. Global Partners responds to communities with water needs through WASH (water, sanitation, and hygiene) projects that provide clean water infrastructure, assistance in water management and sustainability, sanitation facility improvement, and hygiene education. Global Partners WASH projects have been shown to reduce rates of diarrhea and parasitic and respiratory infection and enable students to spend significantly more time on homework.

Form 990, Part III, Line 4c:

All children have the right to attend school in a safe environment that is conducive to learning. Unfortunately, many schools throughout East Africa lack suitable spaces to learn. Lack of classrooms leads to overcrowding. Poor structural design leads to classrooms that overheat, leak water, and are poorly ventilated. In addition, a shortage of teacher housing means that teachers have to travel far distances to reach their schools. As a result, weather and transport problems often prevent them from teaching their classes. Global Partners responds to school infrastructure needs identified by schools and communities by partnering with them on projects such as building and renovating classrooms and constructing teacher housing.

Part X : FIN48 Footnote	Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. GPFD has analyzed tax positions taken for filing with the Internal Revenue Service and the State of California. GPFD believes that income tax filing positions would be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on GPFD.
