The Office of Human Resources regularly reviews the external market to ensure the College is compensating positions competitively. Market data comes from a variety of generally accepted benchmarking sources. In addition, research is conducted on hiring ranges for appropriate matches at local and other higher education institutions. Different aspects of data are collected depending on the position being reviewed in order to ensure an appropriate compensation comparison. The compensation of the President is reviewed and approved by the Board of Trustees and there is contemporaneous documentation of the deliberation and decision.
