Part X : FIN48 Footnote	The Association is exempt from Federal and State income taxes under Section 501c3 of the Internal Revenue Code, therefore, the financial statements do not include a provision for income taxes. The Association reviews income tax positions taken or expected to be taken in income tax returns to determine if there are any income tax uncertainties. This includes positions that the entity is exempt from income taxes or not subject to income taxes on unrelated business income. The Association recognizes tax benefits from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by taxing authorities, based on the technical merits of the positions. The Association has identified no significant income tax uncertainties. The Association files information returns as a tax-exempt organization. Should that status be challenged in the future, all years since inception could be subject to review by the IRS.
