Part I Line 2	The financial aid office of the University tracks the scholarships issued to students through the financial aid module of our ERP system. It tracks the information from the awarding process through the posting and disbursement processes. Award amounts are posted directly to the student accounts. No cash is distributed directly to the students.
Part III Line 2	The Institution signed and returned to the Department of Education the Certification and Agreement document under Section 18004a1 of the CARES Act to provide Emergency Financial Aid Grants to students. TOTAL AMOUNT of Emergency Financial Aid Grants DISTRIBUTED to students was 757,146. The methods used by the institution to determine WHICH STUDENTS receive Emergency Financial Aid Grants and HOW MUCH they would receive A group of university representatives from Student Financial Services, Student Development, and all three academic programs worked on a method to determine which students would receive the HEERF grants. Because the intention was to promptly assist as many students as possible and understanding that all students were facing additional living and academic expense pressure due to the change in the academic delivery method, it was unanimously decided to provide a grant to all eligible students giving need priority to resident students who were inconvenienced the most after the university closed the residence halls.
