Return Reference	Explanation
Schedule C, Part II-B, Line 1	Gustavus Adolphus College is a member of Minnesota Private College Council (MPCC), an organization described in section 501(c)(4) of the Internal Revenue Code. MPCC is an association of private nonprofit institutions of higher education that serves a variety of its members' shared needs, including, but not only, nonpartisan and non-electoral advocacy for public policy that meets students' needs and advances the interests of private higher education. The College paid membership dues to MPCC in the amount of \$133,217 during the taxable year. MPCC has divided its expenses for its taxable year ending June 30, 2020, into two groups. Group 1 consists of those expenses that did not in any way support attempts to influence legislation within the meaning of section 501(c)(3) of the Internal Revenue Code ("lobbying"), and Group 2 consists of all other expenses. Group 2 includes many expenses such as personnel costs, that supported both lobbying and nonlobbying activities. MPCC did not attempt to allocate the Group 2 expenses between lobbying and nonlobbying activities. MPCC has determined that the amount of the Group 2 expenses represents 78.13% of the amount of the dues that MPCC collected in the same taxable year. Assuming that all Group 2 expenses were paid from member dues, and allocating those expenses pro rata based on the dues paid by each member, \$104,084 of the College's dues were used to pay Group 2 expenses. The amount of lobbying expenses paid from the College's dues was significantly less than that amount. In addition, the College paid membership dues of \$9,404 and \$1,783 during the taxable year to the National Association of Independent Colleges and Universities and Greater Mankato Growth of which 7% and 6% or \$658 and \$107, respectively, was estimated to be used for lobbying expenses.

Schedule D, Part X, Line 2	The Internal Revenue Service has determined that the College is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the College is not subject to federal income taxes except to the extent it derives income from certain activities not substantially related to its tax-exempt purposes (unrelated trade or business activities). The College is also exempt from state income tax. The most significant areas that potentially subject the College to unrelated business income tax include hosting conferences and events, various services provided by the dining service to the public and endowment investments. At May 31, 2020 and 2019, the College has no current obligation for unrelated business income tax. The College follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized by the College for uncertain tax positions as of May 31, 2020 or 2019. The College's tax returns are subject to review and examination by federal and state authorities.

990 Schedule F, Supplemental Information

Return Reference	Explanation
Schedule F, Part I, Line 1	Part I, Line 1 has been checked "yes" and a narrative for Part I, Line 2 provided (below) even though Core Form Part IV, Line 16 is checked "no". Those disclosures reflect that the College's students who study outside of the U.S. continue to receive financial aid that they are eligible for were they on-campus students. When a student takes a J-Term or one or more semesters abroad, financial aid funds are typically disbursed when the student is still in the U.S. and thus such funds technically are not the subject of Part I, Lines 1 and 2 (and, accordingly, are not reportable on Schedule F, Part III). The disclosures at Lines 1 and 2 are made in favor of transparency and reflect that the College employs a different monitoring mechanism in such instances than that reported on Schedule I.

990 Schedule F, Supplemental Information

Return Reference	Explanation
Schedule F, Part I, Line 2	The College offers grants in the form of need or merit based scholarships to students who are studying outside of the United States. Before the grant or award is available and disbursed, the Center for International and Cultural Education must approve any program that a student is participating in. Once the grant has been disbursed to the student's account for the study away program, the Center for International and Cultural Education maintains contact with the host institution to monitor the student's attendance and notifies the Financial Assistance office and Student Accounts office if a student withdraws from the study away program.

Schedule I, Part I, Line 2	Gustavus offers both merit-based and need-based scholarship assistance. Merit-based scholarships do not require a student to demonstrate financial eligibility and must be awarded during the Admission process. They also may be awarded as part of a need-based financial aid package. To be renewed, the student needs to maintain the established minimum standards. Need-based scholarships are offered to students who demonstrate financial eligibility by filing the FAFSA. The offered amounts can vary from year to year as determined by the family's Estimated Family Contribution (EFC) on the FAFSA and availability of funds. The Registrar's office monitors any changes to a student's enrollment status. Any changes are communicated to the Student Accounts office and the Financial Assistance office to ensure funds are being properly disbursed. Form 990, Part VI, Section B, Line 12c	The College has a written conflict of interest policy that pertains to its employees. This policy is one of several "All College Policies" that are published on the College's website. The conflict of interest policy is designed to help officers and employees of the College identify situations that present potential conflicts of interest, along with following written procedures in the event that there is a conflict of interest. The policy is intended to comply with the procedure prescribed in Minnesota Statutes, Section 317A.255, and governing conflicts of interest to nonprofit corporations. The President and the CFO, Vice President of Finance and Treasurer monitor and enforce the College's conflict of interest policy relating to its employees. In addition, a questionnaire is completed by all officers and other interested persons on an annual basis that documents any activity that could give rise to conflicts of interest. These questionnaires are reviewed by the President and the CFO, Vice President of Finance and Treasurer. The College has a separate written conflict of interest policy that pertains to all members of the Board of Directors. The policy discloses the importance of exercising integrity and objectivity in making decisions. It further provides disclosure requirements and procedures for abstaining and documentation of meeting minutes when there is a conflict of interest. In May 2020, the Chair of the Audit Committee requested that the President's Office distribute this policy to all Directors, along with an annual disclosure statement, indicating that the director has read, understands and discloses whether or not there are any circumstances leading to a potential conflict of interest. At the May 2020 Board of Directors meeting, the Chair of the Audit Committee requested that all Directors read the conflict of interest policy, determine if they had any questions, complete the annual disclosure statement on a timely basis and return to the CFO, Vice President of Finance and Treasurer. From a governance perspective, the Audit Committee of the Board of Directors is specifically charged with overseeing compliance with this policy. Chairs of individual committees are charged with following the procedures for voting when there is a conflict of interest, along with documentation of those procedures in the meeting minutes. Completed annual disclosure statements were received from all Directors.
