Pt X, Line 2	We recognize the tax benefit from an uncertain tax position only if it is more likely than not that the position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 % likelihood of being realized upon ultimate settlement. Examples of tax positions include our tax-exempt status and positions related to the potential sources of unrelated businesses taxable income. Management has not identified any uncertain tax positions taken or expected to be taken in a tax return, and there are no unrecognized tax benefits recorded as liabilities in the accompanying financial statements. We classify interest and penalties, if any, associated with uncertain tax positions as a component of income tax expense. There was no accrued interest or any penalties related to unrecognized tax benefits at either June 30, 2020 or 2019, or any interest or penalties expense related to unrecognized tax benefits for the years then ended. We are no longer subject to examination by the Internal Revenue Service or the State of Indiana for years ended prior to June 30, 2017.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Pt VI, Line 11b	A draft of the entire tax return except for Schedule B was provided to the entire Board of Directors for review, discussion, and approval before the return was signed by the Board Treasurer and filed. Schedule B was redacted from the draft provided to the Board because donors have an expectation of privacy with respect to their donations and that expectation would be violated if Schedule B were to be provided to the entire Board. The Board approved the tax return at its February 2021 meeting after presentation and review by the preparer.
