Name: MOLLOY COLLEGE

Supplemental Information

Return Reference	Explanation
Schedule D, Part III, Line 4	The College maintains an artwork collection in various buildings for the enjoyment of students, employees, and visitors to its campus.

Supplemental Information

Return Reference	Explanation
Schedule D, Part IV, Line 2b	Molloy College had \$3,140,711 in student credit balances at June 30, 2020. These balances represent potential tuition money owed to students due to over-payment, financial aid applied to the student's account or payments made for the next semester.

Supplemental Information

Return Reference	Explanation
Schedule D, Part V, Line 4	The College's endowment fund is intended to support the College's educational mission. The endowment earnings are used to fund the College's daily operations, including scholarships, student programs, and other campus activities. The Board of Trustees, through its approved investment policy guidelines, has interpreted the New York Prudent Management of Institutional Funds (NYPMIFA) to allow the College to spend below the historical dollar value of its endowment unless specific donors have stipulated to the contrary.

Supplemental Information

Return Reference	Explanation
Schedule D, Part X, Line 2	The College follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The College is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is excluded by the Code. The College has processes in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligation in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The College has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

Return Reference	Explanation
Schedule J, Part I, Line 1a	The President and Vice Presidents of the College are permitted certain perquisites by virtue of their position at the College. By contract, the President is entitled to a housing allowance, a car and reimbursement for social club dues. By contract, the Vice President for Academic Affairs is entitled to a housing allowance and the Vice President for Advancement is entitled to a car and reimbursement for social club dues. The housing allowance and the personal use of the cars are a taxable benefit and are included in "other reportable compensation" column (b)(iii) in Schedule J. The President and Vice President use the social club solely in a business capacity and therefore, this is a non-taxable fringe benefit. The compensation of the President is approved by the Board of Trustees.
Schedule J, Part I, Line 4	The President participates in the College's Section 457(f) plan. In calendar year 2019, President Bogner received a payout of \$400,000 from his 457(f) plan; that amount is reported in Schedule J, Part II, column (b)(iii) and in column (f) to reflect amounts that were previously reported as deferred compensation on earlier 990s. Likewise, the College funded an additional \$125,000 into President Bogner's 457(f) plan in fiscal 2020; that amount is reported in column (c) as deferred compensation.
Schedule J, Part I, Line 7	President, Drew Bogner, received a \$100,000 bonus in calendar year 2019, authorized at the discretion of the Board for meeting certain objective performance-based criteria.

Schedule M, Part I, Line 32b	As part of its fundraising efforts, the College solicits donations from many sources. In those instances where non-cash assets are acquired, generally in the form of donated publicly traded securities, the securities are transferred to our outside investment manager and received into an account set up to receive such donations. The College requests from the donor, a statement asserting that the securities can be liquidated. The investment manager then liquidates the securities and the cash is transferred to the appropriate cash account for its intended use.
