990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part I, Line 19	General Statement Regarding the COVID-19 Pandemic In December 2019, an outbreak of a novel strain of Coronavirus (COVID-19) emerged globally, and in March 2020 the World Health Organization declared the spread of COVID-19 a worldwide pandemic. As a result, the College's campus was closed in March 2020 and moved the remainder of the spring 2020 semester to virtual learning. Students received refunds and future statement credits for their unused housing, meal plans, and other mandatory fees through the end of the semester, resulting in lost revenue of \$6,472,768, which would have been included in student tuition, fees, room and board, net on the statement of activities for the fiscal year ending June 30, 2020. The impact of the revenue loss was lessened by the expense reductions which included cancelled travel and events, lower utilities, and other operating expense constraints. The COVID-19 pandemic continues to have significant effects on higher education, global markets, supply chains, businesses, and communities. Specific to the College, COVID-19 has impacted various parts of its 2020 operations and financial results and may impact portions of its 2021 operations and financial results, including, but not limited to, declines in enrollment, loss of auxiliary revenues, additional bad debts, costs for increased use of technology and safety protocols, or potential shortages of personnel. Management believes that the College is taking appropriate actions to mitigate the negative impact.
