Schedule D, Part V, Line 4	Earnings on the Agency's donor-restricted endowment are recognized as net assets with donor restrictions until appropriated by the Board for expenditure. The Agency's policy is to utilize its endowment earnings, as considered necessary, to support student scholarships and operational support in accordance with the donor's intent. Any unspent endowment earnings in any given year become part of the Agency's net assets with donor restrictions. The Agency permits spending from underwater endowment funds, unless specifically prohibited by the donor or relevant laws and regulations. The Board designated endowment is used primarily for operations. The amount of investment income to be used to support operations on an annual basis will not exceed five percent of the market value of the Agency's investments determined on a rolling annual average of the preceding five years.
