Supplemental Information

Return Reference	Explanation
Pt X, Line 2	The Organization is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and has been determined to not be a private foundation. Management believes that the Organization is currently operating in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Organization was tax exempt as of the financial statement date. Accounting standards require entities to disclose in their financial statements the nature of any uncertainty in their tax position. For tax-exempt entities, their tax-exempt status itself is deemed to be an uncertainty, since events could potentially occur to jeopardize their tax-exempt status. The Organization has implemented this standard and its current accounting policy for evaluating uncertain tax positions is in accordance with generally accepted accounting principles. The Organization has not recognized any benefits from uncertain tax positions during the years ended June 30, 2020 and 2019 and believes it has no uncertain tax positions for which it is reasonably possible that the total amount of unrecognized tax benefits will significantly increase or decrease within 12 months of the balance sheet date. The Organization recognizes interest and penalties related to unrecognized tax benefits in miscellaneous expense. No interest or penalties were recognized during the years ended June 30, 2020 or 2019. The organization files information returns in the U.S. federal jurisdiction and New York State. The tax years open to examination by Federal and New York State tax authorities are 2017 through 2020.
