Schedule D, Part X, Line 2	The University accounts for uncertainties in income taxes in accordance with authoritative guidance, which prescribes a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. Management determined there were no tax uncertainties that met the recognition threshold at June 30, 2020 and 2019. At June 30, 2020, the University had net operating loss carryforwards resulting from its unrelated business activities which may be applied against future years' taxable income. A valuation allowance has been recorded to offset the resulting deferred tax asset due to the uncertainty of the future use of these net operating losses. The University's policy is to recognize interest related to unrecognized tax benefits in interest expense and penalties in operating expenses.
