826 National amplifies the impact of our national network of youth writing and publishing centers, and the words of young authors. We serve as an international proof of point for writing as a tool for young people to ignite and channel their creativity, explore identity, advocate for themselves and their community, and achieve academic and professional success. Currently, the 826 Network is in eight major U.S. cities and serves nearly 34,000 under-resourced students ages 6-18 each year, thanks to the support of almost 5,000 volunteers. Each chapter has an imaginative storefront that reimagines tutoring as anything, but traditional; provides a gateway for meeting families, teachers, and volunteers; and connects students with community members. And of course, sells Canned Laughter and Robot Toupees. In addition, there are fifty 826-inspired organizations across the globe. We support educators through 826 Digital, our new on-line pay-what-you wish platform designed to help teach and ignite
