Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds.	CSG's Admission and Development offices work closely together to award named scholarships to students. The parents submit a financial aid application and supporting tax forms online via the School and Student Services (SSS) module located on the National Association of Independent Schools website. Columbus School for Girls (CSG) receives a report based on parent income, expenses and the amount they are able to afford for independent school tuition. CSG's financial aid committee reviews the parent information and grants awards as needed. The Admissions office notifies the student of their scholarship amount. These grants are entered into the Sr. System financial aid software, which flows into the accounts receivable module. The total financial aid is based on a budget number that is on CSG's financial statement. If, in the rare instance, CSG requested a student leave, that portion of the financial aid would be designated back into the financial aid funds. The Development office has the donor specifications for who should be awarded the scholarship. Once the student is chosen for the scholarship award, the Development office sends the donor a letter about the student.
