Supplemental Information	
Return Reference	Explanation
Schedule D, Part III, Line 4 Collections of art - description of collections	The College's collections are held for public exhibition, education and research in furtherance of the College's educational and public service mission. The collections are appropriately cared for and preserved and subject to a College policy that requires the proceeds from sales, if any, of collection items to be used to acquire other items for the collection and to annually report in the audited financial statements the recording of any items sold, destroyed or otherwise deaccessed during the year just completed and to report any new acquisitions. At June 30, 2020 and 2019, there were no significant reportable activities in collections.

Supplemental Information

Return Reference	Explanation
Schedule D, Part V, Line 4 Intended uses of endowment funds	The College's endowment funds consist of donor-restricted endowment funds and funds designated by the board of directors to function as endowments, which are both held within the M EA growth pool, as well as funds held by others and irrevocable trusts for the benefit of the College. The purpose of the endowment funds is to facilitate donors' desires to support college programs over the long run. In doing so, the endowment fund will provide a secure, long-term source of funds to (i) ensure long-term growth; (ii) provide for intergenerational equity; (iii) provide a permanent resource for scholarship funding for students; and (iv) support the administrative expenses of the College as deemed appropriate.

Supplemental Information

Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Internal Revenue Service has determined that the College is a tax exempt, not-for-profit organization as defined in Section 501(c)(3) of the Internal Revenue Code ("IRC"). As such, the College is generally not subject to federal or state income taxes except for certain income derived from unrelated business activities as defined by the IRC. Any such taxes resulting from unrelated business activities are insignificant to the operations of the College. U.S. GAAP prescribes recognition thresholds and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Tax benefits will be recognized only if the tax position is more-likely-than-not sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. Management has concluded that they are unaware of any tax benefits or liabilities to be recognized at June 30, 2020 and 2019. The College does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. The College would recognize interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The College has no amounts accrued for interest or penalties as of June 30, 2020 and 2019.
