| Part I, Line 2:  | For general program scholarships, initial requests are processed through an online financial aid software. Those results are then reviewed by members of Senior Leadership who develop the parameters and process of awarding and distributing fee assistance. For EZRA related assistance, grantee assistance is tracked through an electronic database. A committee of case managers meets to review financial assistance requests. Decisions are reviewed by the director of EZRA's Multi-Service Center, who develops the work plan and procedures for executing the financial assistance. The information is frequently substantiated by grantor reporting requirements. |
