Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The College and the Foundation have received favorable determination letters from the Internal Revenue Service stating they are exempt from Federal income taxes on related income under Section 501(a) as entities described in Section 501(c)(3) of the Internal Revenue Code. The Organization follows guidance issued by the Financial Accounting Standards Board ("FASB") with respect to accounting for uncertainty in income taxes. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The Organization recognizes interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The Organization has no amounts accrued for interest or penalties as of June 30, 2020 and 2019. Due to their tax-exempt status, the College and Foundation are not subject to U.S. federal or state income tax, except on unrelated business income. The Organization does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. All entities are subject to examination by these taxing authorities.
