Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The College, an Illinois nonprofit corporation, is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code (IRC) and applicable state law, except for taxes pertaining to unrelated business income, if any. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the College may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the College and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. There were no unrecognized tax benefits identified or recorded as liabilities during the periods covered by these financial statements. The College files Form 990 in the U.S. federal jurisdiction and the State of Illinois. The College is generally no longer subject to examination by the Internal Revenue Service for tax years before fiscal 2017.
