Facts And Circumstances Test

Prior Year Facts and Circumstances: Schedule A, Part II, Section C, Line 17aSupplemental InformationThere are two requirements that St. Josephs Community Foundation must fulfill in order to satisfy the Facts-and-Circumstances Test set forth in Treas. Reg. 1.170A-9(f)(3)(ii). First, they must derive at least 10% of its support from governmental units or from direct or indirect contributions from the general public, or a combination of both. St. Josephs Community Foundation received 16.50% of its total support from government units and the public and therefore, St. Josephs Community Foundation has satisfied this first requirement. Second, St. Josephs Community Foundation must maintain a continuous and bonafide fundraising program or carry on programs designed to attract support from governmental units or other public charities described in IRC 170(b)(1)(A)(i) through (vi). St. Josephs Community Foundation maintains several fundraising programs and initiatives each of which is designed to attract support from the public. St. Josephs Community Foundation conducts a mid-year and year-end direct mail contributions solicitation program, an annual staff giving campaign, a grateful patient program which involves working with individuals who have benefitted from the care they received at St. Josephs Community Hospital, and a memorial donation program or working with families who have lost a loved one. St. Josephs Community Foundation also conducts various fundraising events each year to benefit specific care programs of St. Josephs Community Hospital. St. Josephs Community Foundation maintains a very close relationship with St. Josephs Community Hospital, an exempt charitable organization under IRC 501(a) as described in IRC 501(c)(3), and classified as a publicly supported public charity under IRC 509(a)(1) and described in IRC 170(b)(1)(A)(iii). St. Josephs Community Hospital provides a significant portion of St. Josephs Community Foundations support in recognition of the need to provide health care services to the communities served by St. Josephs Community Hospital and St. Josephs Community Foundation. St. Josephs Community Foundation is accountable to St. Josephs Community Hospital for how the foundation expends its funds by virtue of the fact that St. Josephs Community Hospital appoints and approves a majority of St. Josephs Community Foundations Board of Directors and retains other approval rights over the foundations operations.In addition to satisfying the two requirements set forth above, there are additional relevant facts and circumstances which demonstrate that St. Josephs Community Foundation qualifies as publicly supported public charity under IRC 509(a)(1) and 170(b)(1)(A)(vi). 1.St. Josephs Community Foundations total support exceeds the minimum 10% threshold by a substantial portion. Moreover, historically the total support received by St. Josephs Community Foundation is from a considerable and representative number of donors located throughout the various communities served by St. Josephs Community Foundation. 2.St. Josephs Community Foundations Board of Directors is comprised of individuals who include community and civic leaders, community business executives, physicians and other individuals who represent the broad interests of the public. 3.St. Josephs Community Foundation provides continuing support to St. Josephs Community Hospital, and other health care facilities and organizations which make their health care services available to the general public with the mission of improving the health of the communities served by such organizations. 4.St. Josephs Community Foundation has volunteers comprised of individuals from the general public who volunteer their time and skills in carrying out various activities and functions of the foundation. 5.In addition to receiving funds from the general public, St. Josephs Community Foundation receives a significant amount of support from its parent organization St. Josephs Community Hospital of West Bend.

Grantmaker's Description of How Grants are Used	Applications for funding are available via an independent website on an annual basis for 501(c)(3) non-profit organizations. Requests are limited to projects that will significantly improve the health and well-being of people living in Washington County and may include capital projects. Applicants are given approximately one month to submit their application and supporting documentation. The applications then go to a committee of individuals from local communities, as well as individuals from the Froedtert Health, Inc. system. The Healthy Community Fund committee will review appropriate application requests and determine if the program/project meets requirements. After a formal ranking process it will be determined if support will be granted, and at what level, given the available resources and committees current priorities. The recommendation of the Healthy Community Fund committee then goes to the St. Joseph's Community Foundation, Inc. Board and the Froedtert Health, Inc. president for approval. Once the organizations were notified of funding and given the money, they were asked to submit a report to the St. Joseph's Community Foundation, Inc. Board showing the progress of their project.
