Pt X, Line 2	As required by FASB ASC No. 740, Income Taxes, the Agency evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to the Agency's continued qualification as a tax-exempt organization and whether there is unrelated business income activities that would be taxable. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Agency is no longer subject to United States federal or state examinations by tax authorities for the years before 2016. During 2019, the Agency did not recognize any interest or penalties associated with any positions.
