990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 7:	Charity care expense was converted to cost on line 7a based on an overall cost-to-charge ratio addressing all patient segments. Unreimbursed Medicaid on line 7b was calculated using the costing methods to prepare the cost reports. The cost for subsidized health services reported on line 7g was determined using the Medicare Cost Report.
Part II, Community Building Activities:	The Organization participates in community building activities, however, the activities are too difficult to quantify and are not tracked.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 2:	The amount on line 2 represents implicit price concessions. The Organization determines its estimate of implicit price concession based on its historical collection experience with this class of patients.
Part III, Line 3:	CMC used the percentage of charity care/financial assistance applications that were denied due to lack of sufficient information or were never returned to determine the amount of implicit price concessions that is attributable to patients who would likely qualify for charity. Even though Medicare was at a loss, the hospital still provided services to these patients. The elderly are an underserved population who experience issues with access to healthcare services. It is a community benefit to be able to treat them at the local hospital.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation

If an application is returned with insufficient information a telephone call and/or a letter is sent indicating what is still needed to process the application. If no response is received, the application will be reviewed by the Financial Assistance/Community Care Program committee to determine if collection proceedings should resume or if presumptive charity care be allowed. Patients will be notified when the facility determines the amount of financial assistance approved.
Part VI, Line 2:	The Organization typically offers wellness screenings once a year at no cost to the public, however they were unable to perform them this year due to COVID-19 restrictions. The wellness screenings help the Organization to assess health needs of the community. Included are blood pressure checks, diabetes screenings, pulmonary and respiratory screenings, and education on good health. This often results in follow-up care after results of screenings are reviewed. The organization also offers a community weight loss program (GORED) as well as wellness luncheons on related health topics. A community health needs assessment was also conducted during the 6/30/19 fiscal year end to help assess needs in the community.
