Compensation was reviewed and approved by the Executive Compensation Subcommittee (the Committee) of the Board of Governors of JA Worldwide, Inc., which is comprised of independent persons. By engaging an independent compensation consultant, the Committee considered comparable market data from published surveys and Form 990 of comparable organizations in evaluating the compensation for each individual. The Committee conducted a review of this comparability data and documented its deliberation and discussion in minutes that are retained with the other governance materials of the Organization. The Committee followed the process to establish the presumption that compensation paid to the Organization's CEO and other top management for purposes of Section 4958 by relying on professional advice in the written opinion of reasonableness from the independent compensation consultant, Towers Watson. This review process is conducted annually and was last done in 2020.</p>
