SCHEDULE D, PART X, LINE 2	AN INDEPENDENT CPA FIRM AUDITED THE FINANCIAL STATEMENTS OF THIS ORGANIZATION (SCHOOL) FOR THE YEAR ENDED June 30, 2020. THE FIN 48 (ASC 740) FOOTNOTE BELOW IS FROM THE ORGANIZATION'S June 30, 2020 AUDITED FINANCIAL STATEMENTS: THE INTERNAL REVENUE SERVICE ("irs") HAS CLASSIFIED THE SCHOOL AS A tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code ("IRC"). However, income from certain activities that is not directly related to the School's tax-exempt purpose is subject to taxation as unrelated business income. The School had no unrelated business income for the years ended June 30, 2020. Accounting for Uncertain Tax Positions: Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the School and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the School, and has concluded that as of June 30, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for years presented in these financial statements. Should such penalties and interest be incurred, the School's policy would be to recognize them as operating expenses.

CORE FORM, PART III; STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS	OUR MISSION ===== Trinity Hall is an independent, all-girls school that educates and empowers young women in the Catholic tradition through an innovative college preparatory program grounded in our four core values of leadership, respect, perseverance, and faith. Trinity Hall prepares each student to achieve her full potential as she embraces her place in the world. OUR STORY ===== At Trinity Hall we have reached milestones with every thing we have done from academics to athletics to the arts. We have set the standard for all the young ladies who will follow. But our most extraordinary milestone is our students and now four classes of graduates. We have graduated four (4)) classes of students who have set, achieved and surpassed goals and continue to aspire to greater things in the future . We called them pioneers and leaders four years ago; now we call them alumnae. They join our first class in college and universities across the country. To date, our most challenging step of the building process was to find a permanent location. Our west wing two-story was completed during the FY19 year and occupied in February, 2019. This new space provides two innovation spaces and 11 more classrooms. Our growing enrollment has found a home in our 40,000 square-foot classroom building. We take pride in the state-of-the-art school. In September 2019, Trinity Hall's school year began with the usual flurry of excitement and anticipation, new faces to welcome, and opening trips to enjoy. We continued through much of our seventh year enjoying and building upon the exceptional programs and traditions of our community. Then, in March 2020, the COVID-19 pandemic challenged us to extend the walls of Trinity Hall when we pivoted to a remote - but personally connected -- model. Our story is one of empowerment, community, sisterhood, collaboration, and support as we continued through the remainder of the school year. We were ready with the latest technology to provide remote learning and extracurricular experiences to our students at home. Our students stepped up in their communities, completing more than 8,000 service hours despite not having our annual service day. At an in-person ceremony in July, we celebrated the commencement of our largest class of graduates who rose to the occasion in their remaining months as students, leading with exemplary sisterhood and grace. Together, we turned the challenges of 2020 into redefining moments - and MORE! Academic Program ===== Trinity Hall is committed to providing unprecedented opportunities for learning and leadership through an innovative curriculum taught by passionate and experienced faculty in a diverse environment that celebrates the Catholic tradition. Trinity Hall encourages students to think creatively and critically, solve problems and collaborate, communicate effectively, and lead. Through interdisciplinary studies, design thinking, and a problem-based math curriculum, students are academically

Our Science, Technology, Engineering, Arts, and Mathematics program focuses on developing lessons and techniques that bring together STEAM disciplines and concepts through creative hands-on projects and experiments. Trinity Hall students take four years of engineering, starting with the design process and its applications in grades 9-10, developing solutions to various challenges while documenting and communicating their work in grade 11; and participating in advanced problem solving and design development in grade 12. Trinity Hall's problem-based math program integrates several mathematical concepts and subjects each year, beginning with the building of algebra and geometry skills in Math I, to more intensive geometry, algebra 2, and trigonometry in Math II, leading to pre-calculus in Math III and ultimately calculus at either the Honors or AP level. Our Humanities program is intentionally designed to integrate both skills and content between the disciplines of English, history, and theology. Students learn to appreciate and understand the historical, cultural, theological, and literary contexts of their global society through an interdisciplinary approach that encourages 21st century skills. Students make significant connections, analyze important issues, and articulate their interpretations and opinions orally and in writing. Through the lens of the Catholic theological tradition, students engage in the exploration of prayer, scripture, sacraments, the Church's moral and social teachings, as well as the examination of all world religions. Integral to our theology courses is a fostering of each student's discernment of who God is, who she is, and the discovery of her unique place in our world. The World Language courses at Trinity Hall facilitate a class structure built around the four main skills: reading, writing, listening, and speaking. The classes aim for target language instruction only. Cultural comparisons, connections, and global outreach are a priority over the scope and sequence of the students' language learning journey. - We enrolled 296 students for the 2019-2020 school year representing a continuous annual increase in enrollment. - Students were served in an academic program of 165 days in an 8-day cycle day that includes an afternoon student support period each day, and time during the school day for clubs and student activities. - We are fully accredited by the New Jersey Association of Independent Schools and the Middle States Commission on Secondary Schools. - Spring of 2020 presented new challenges with the COVID-19 pandemic and the move to remote learning. We pivoted with ease as the technology skills of our faculty are superior. - Our usual spring activities and events were limited due to the pandemic but Trinity Hall found new ways to stay connected and continue our strong academic and extracurricular programs. - After qualifying for the National Championship of the Girls

CORE FORM, PART III; STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS	A member of the Class of 2021 sums it up best: One of my favorite things about Trinity Hall is that we really put into action the idea of girls support girls. We want to bring each other up, we want to raise each other up. As girls were pinned against each other so often in the world, but I really appreciate that Trinity Hall is a community where we can come together and support one another no matter whether your interest is in art, athletics, academics..everyone is understanding and accepting of one another.
