Form and Line Reference	Explanation
Part I, Line 3c:	The methodology used to determine eligibility for financial assistance takes into consideration income, net assets, family size and resources available to pay for care. In addition, presumptive charity care may be applied in situations where all other avenues have been exhausted.
Part I, Line 7:	A combination of costing methodologies were used to calculate the amounts reported in the table. A cost-to-charge ratio derived from Worksheet 2, ratio of patient care cost-to-charges was used to calculate charity care at cost, unreimbursed Medicaid and Means-Tested Government Program expenses. Subsidized health was calculated based on actual cost/loss. For all other amounts, costs and revenues as reflected by the general ledger system were used.

Part II, Community Building Activities:	NATIONAL NIGHT OUT - National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement. Our local sponsor, the Aberdeen Police Department, invites local organizations to participate each year in this event held on the first Tuesday of August at Melgaard Park. A free meal is served by volunteers from many organizations and entertainment is offered all free of charge. Avera St. Luke's has participated by offering a booth with games and prizes with our focus on child safety - recent focuses have been on back to school safety with walking, bike riding and outdoor play. The event brings out around 1,500 to 2,000 children and families for a fun evening. Due to COVID, the National Night Out event was canceled for August 2020. The 2021 event has not yet been approved by the city. If approved, Avera intends to participate in the event. ASPIRE/SD DEPT OF VOC REHAB - Project SEARCH provides internships for high school students in their last year of high school and assists in helping students attain work skills and prepare them for a job. Students are chosen for the program who are ready to join the workforce and do not have plans to go to college but have skills that would enable them to be gainfully employed. We want to assist in meeting the community workforce needs as well as help these students obtain employment vs. being on federal assistance. Due to COVID, the interactions with ASPIRE were minimal in FY2020. Quarterly partner meetings for Project SEARCH were still held. The plan is to resume Project SEARCH and brings students back into Avera next school year.
Part III, Line 2:	The amount on line 2 represents implicit price concessions. The Organization determines its estimate of implicit price concessions based on its historical collection experience with the respective class of patients and residents.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4:	The footnote to the Organization's financial statements that describes implicit price concession is located in the audited financial statement report on pages 17 and 18.
Part III, Line 8:	Medicare allowable costs of care are based on the Medicare cost report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services. Avera St. Luke's follows the CHA guidelines in reporting community benefits and therefore any Medicare shortfall (as calculated including our non-cost report entities) is excluded from community benefit. However, Medicare is the organization's largest payer and patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services. This basis therefore means providing Medicare services promotes access to healthcare services which is a key advantage for our community.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 9b:	If the patient qualifies for the organization's financial assistance policy for low-income, uninsured patients and is cooperating with the organization with regard to efforts to settle an outstanding bill within current self-pay collection policy guidelines and timeframes, the organization or its agent shall not send, nor intimate that it will send, the unpaid bill to any outside collection agency. Avera organizations will allow all individuals 120 days from the first post discharge statement to apply for financial assistance before sending the uncollected account to an outside collection agency. Avera will provide the patient with a statement or final notice that contains a listing of the specific collection action(s) it intends to initiate, and a deadline after which they may be initiated no earlier than 30 days before action is initiated. If the patient qualifies for 100% charity care, no further bills will be sent. A letter will be sent instead indicating that the patient's bill has been completely forgiven.
Part VI, Line 2:	Health care needs are assessed through various methods. Given Aberdeen is a regional center/hub and the third largest city in South Dakota, Avera St. Luke's is integrally involved with community organizations, universities/colleges, schools, state programs and local governments. Although another smaller hospital opened in Aberdeen during FY 2013, the next largest hospital is 100 miles from Aberdeen and most of the towns within our region have a population of less than 2,000. By working with all in our region, we are able to determine health needs and provide programs and solutions where possible. Our third community health needs assessment (CHNA) was completed and posted to our website by June 30, 2019. The identified areas of need highlighted for further research and comparison are dental care, removal of barriers to community health needs, health care affordability and travel and accessibility to health care. The overall goal is to focus on removing all barriers to health.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 3:	The Organization utilizes various methods to inform patients about our financial assistance policy. Admitting areas have signs/posters noting charity care and financial assistance. Avera St. Luke's and Avera Health utilize the internet to address financial assistance. Social workers are in direct contact with patients and make referrals to the Business Office for financial assistance and in many cases, work directly with the patient on various government programs which may be available and help with applications. For those who receive bills for services and have concerns about their ability to pay, financial counselors work directly with them on financial assistance. We have brochures available to all and treat all without regard to their ability to pay.
Part VI, Line 4:	Avera St Luke's includes a 50-bed hospital and a 10-bed mental health unit in Aberdeen, South Dakota. The primary service area is defined as Brown County, South Dakota, including the communities of Aberdeen, Frederick, Groton, Hecla, and Leola. Aberdeen is the county seat. Part VI, Line 5:	Avera St. Luke's is a regional facility within Avera Health System. We are a health ministry cosponsored by the Benedictine Sisters of Yankton, South Dakota and the Presentation Sisters of Aberdeen, South Dakota. Our health ministry is rooted in the Gospel and requires us to make a positive impact in the lives and health of persons and communities by providing quality services guided by Christian values. Avera St. Luke's vision is to be an exceptional health care organization for patients to receive care, physicians to practice and employees to work. The Organization's values are Compassion, Hospitality and Stewardship. Our governing body consists of 15 members who are physicians, community and regional residents and Sister representatives from the Presentation and Benedictine Orders. In addition, the CEO serves on the board. In addition to the governing body, we have one advisory board. This includes Northern State University Business School. Medical Staff privileges can be extended to qualified physicians based on receiving approval of their application and credentials by the Medical Staff and the Hospital governing body. The Hospital's governing body takes into account other factors related to overall community need and how a physician would impact the Hospital's overall ability to fulfill the mission. Avera St. Luke's mission and values ensure our focus is on the patient, family, employees, physician, those in need, visitors and our region as a whole. The value of Stewardship requires the organization to use all resources in a way that fulfills the mission and values. Each year, our operating and capital budgets are based on various assumptions that in the end provide the needed resources and take into account charity care, patient care, technology, education, community services, employee benefit and compensation plans and programs for meeting the region's needs. All surplus funds are used and maintained to provide for both current and future needs. Specific examples of how we further our exempt purpose include but are not limited to the following: a. The only inpatient psychiatric unit within 200 miles. b. Interventional Cardiology and Radiology services. These services allow us to meet patient needs when care is critical to their survival and must be delivered on a very timely basis. c. Air Ambulance to transport patients to our facility or 200 miles to tertiary facilities. d. End Stage Renal Disease program which serves our broad region with the next closest facility being 100 miles away. Additionally, we employ a full-time Nephrologist to care for the patients along with others who require intensive physician care. e. A 24 hour Emergency Room which treats all patients without regard to the ability to pay. The ER is staffed by physicians 24 hours per day. f. Provision of a multitude of educational and training programs for healthcare professionals and regional residents. The region was awarded an Area Health Education Center by the South Dakota School of Medicine and will be located in Aberdeen. The award was based on applications and interviews within the State and was a collaborative effort of many healthcare and non-healthcare organizations within the region with two being 100 miles from Aberdeen. g. Avera St. Luke's is currently a Rural Referral Center. The nearest hospitals are tertiary facilities 200 miles away by ground and approximately 140 miles by air. h. Avera St. Luke's participates in many community organizations and efforts to better the region. Leadership of the organization is on boards of many exempt organizations (Chamber of Commerce, United Way, Aberdeen Development Corporation, College/University Advisory Boards, Kiwanis Club Board, Lake Area Technical Institute Alumni Board). i. Provide assistance to small rural hospitals (Critical Access Hospitals) within the region through various programs, management agreements, computer systems, education and other services to assist in keeping their area's patients in the local community when possible. j. Recruitment of specialists in nephrology, neurosurgery, neurology, cardiology and psychiatry to meet the region's need in order to eliminate travel of 200 miles to obtain these services. k. Development and subsidy of various rural clinics to meet needs in those communities. l. Chemical Addiction services on an outpatient basis are provided to the region and State. Our Worthmore program is well known and respected within the region and state and is the closest program within 150-200 miles. We contract with the State for patients who meet their qualification guidelines and work with governmental agencies within the region and State. m. Provide drug and alcohol prevention programs to the local schools through various contracts. Our involvement started when the previous provider discontinued their contract.
Part VI, Line 6:	Avera is a sponsored ministry of the Benedictine and Presentation Sisters. The communities in which Avera operates all have unique health and community benefit needs.
