**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Part I, Line 3c:	The methodology used to determine eligibility for financial assistance takes into consideration income, net assets, family size and resources available to pay for care. In addition, presumptive charity care may be applied in situations where all other avenues have been exhausted.
Part I, Line 7:	Charity care expense was converted to cost using an overall cost-to-charge ratio addressing all patient segments. Unreimbursed Medicaid was calculated using the costing methods to prepare the cost report. Subsidized health services were calculated based on a combination of the Medicare cost report and an overall cost-to-charge ratio for certain expenses. Other means tested government programs, community health improvement services, health professions education, and cash and in-kind contributions are reported based on actual expenses recorded in the general ledger.

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Part II, Community Building Activities:	Avera St. Benedict Health Center (ASBHC) operates a community daycare providing a safe environment for the children. Lower income families are provided a safe and affordable place for their children. While not all the families are lower income, the organization sees this as a community need as there is no other facility in the area and the community as a whole would struggle to find daycare for their children. Despite operating at a loss, the Board of Directors is committed to providing the service to the community. Avera St. Benedict Health Center provided donations to various organizations to support activities as listed on Part II.
Part III, Line 2:	The amount on line 2 represents implicit price concessions. The Organization determines its estimate of implicit price concessions based on its historical collection experience with the respective class of patients and residents.

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Part III, Line 4:	The footnote to the Organization's financial statements that describes implicit price concession is located in the audited financial statement report on pages 17 and 18.
Part III, Line 8:	Any Medicare shortfall for St. Benedict Hospital is excluded from the community benefit report. Patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services. This means providing Medicare services promotes access to healthcare services which is a key advantage for our community and therefore any shortfall is considered a community benefit. Total revenue received from Medicare and the Medicare allowable costs are reported from the Medicare Cost Report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services.

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Part III, Line 9b:	<p>If the patient qualifies for the Organization's financial assistance policy for low-income, uninsured patients and is cooperating with the Organization with regard to efforts to settle an outstanding bill within current self-pay collection policy guidelines and timeframes, the organization or its agent shall not send, nor intimate that it will send, the unpaid bill to any outside collection agency. Avera organizations will allow all individuals 120 days from the first post discharge statement to apply for financial assistance before sending the uncollected account to an outside collection agency. Avera will provide the patient with a statement or final notice that contains a listing of the specific collection action(s) it intends to initiate, and a deadline after which they may be initiated no earlier than 30 days before action is initiated. If the patient qualifies for 100% charity care, no further bills will be sent. A letter will be sent instead indicating that the patient's bill has been completely forgiven.</p>
Part VI, Line 2:	<p>Community needs are evaluated and assessed on an on-going basis in several ways. ASBHC has completed formal "needs assessments" several times over the course of the past several years. This has been accomplished with input from focus groups, surveys, short and long range planning by the Health Center Board, demographic and health care data analysis, regular meetings with the provider staff, and collaboration with the local school and churches, as well as local law enforcement.</p>

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Part VI, Line 3:	<p>Patients are informed of the financial assistance/charity care policy through brochures at the registration desks of the Hospital and Clinics. ASBHC has staff in Central Registration that identify if a patient is able to pay for services through insurance or otherwise. If they identify on the front end that the patient needs assistance, the patient is connected to a representative in Patient Financial Services who can assist with determining what benefits the patient may qualify for and help them apply for any benefits. If there is no option for an outside assistance program, the patient is informed and encouraged to complete the application that utilizes a combination of income, assets, and expenses to determine what percentage of charity care they would qualify for.</p>
Part VI, Line 4:	<p>Avera St Benedict is a 25-bed critical access hospital in Parkston, South Dakota. The primary service area is defined as Hutchinson County, South Dakota, including the communities of Freeman, Menno, Olivet and Tripp. Olivet is the county seat. According to the U.S. Census Bureau Quick Facts 2019 data, the estimated population of Hutchinson County as of July 1, 2019 is 7,291 and is predominately white at 96.2%. Part VI, Line 5:	<p>The Organization's governing body is comprised of volunteer members who reside in the community. The Board of Directors meets monthly and has community representation that brings forward issues relative to challenges, needs and services within the community. The local ministerial group meets monthly at the Hospital and also identifies needs and gaps within the parishioners they serve. Medical staff privileges are extended to all qualified physicians in the community. The medical staff, including the physicians/mid-levels/department directors, has the opportunity to meet monthly and also discuss ways to meet the needs of the community they serve. Surplus funds are reinvested in facilities to improve patient care. The Hospital operates an emergency room that is available to all, regardless of ability to pay. ASBHC has a fitness center on campus that is available to help the community focus on wellness and prevention. This endeavor is subsidized by the facility to improve the health and well-being of the community as a whole. The chaplaincy mission services participate and spearhead many community projects including an angel tree at Christmas to address the needs of children in our service area. ASBHC also donates to the local food pantry and purchases, prepares, and serves a meal to the Love Feast in Mitchell, SD annually. The meal serves 300 plus people in need of nutrition. At that event, bags of groceries are provided to the families in need that are in attendance to take home. There are several other projects of this nature on a smaller scale at the local school system. ASBHC donates to community events such as American Cancer Society projects and sponsors health related educational programs to the community at large. Avera St. Benedict also provides medical, nursing, and other ancillary health professions the opportunity for hands on learning experiences through residencies, internships, clinical rotations and other shadowing and profession mentoring programs to help with students health care training needs.</p>
Part VI, Line 6:	<p>Avera is a sponsored ministry of the Benedictine and Presentation Sisters. The communities in which Avera operates all have unique health and community benefit needs. In keeping with the Catholic Healthcare Association guidelines, each hospital strives to meet its community's identified needs. The corporate staff of Avera Health advocates for all members regarding community benefit related matters of state, regional and national importance.</p>
