Schedule D, Part V, Line 4 Intended uses of endowment funds	The organization's investment and spending policies for endowment assets attempt to preserve the real (i.e. after-inflation) purchasing power of the endowment and to provide a relatively predictable, stable, and in real terms, constant stream of current income for annual award needs. The organization's board approves amounts awarded from the award fund endowment on an annual basis, with the understanding that endowment spending should approximate 5% of the beginning of the year endowment value.
