2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? . . . . . ☐ Yes ☑ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? . . . . . ☑ Yes ☐ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. 4a (Code:) (Expenses $ 35900 including grants of $) (Revenue $)

350 Bay Area's Clean Air Program strives to influence our regional Air Quality Management District to significantly reduce air pollution that endangers local and global health. We have a six-year record of working intensively with Air District staff and board members to develop policies that reduce the negative impacts from greenhouse gases, health-harming toxic air contaminants and particulate matter. We lead a network of environmental justice allies who empower the voices of people living in the industrial East Bay refinery corridor, where low-income communities of color suffer disproportionately from the severe impacts from exposure to air pollution. We are looked to by other environmental organizations, environmental justice organizations, and representatives from impacted communities throughout the region to provide leadership on reducing these harmful emissions; and we are viewed by the Air District regulators as a crucial and preeminent policy stakeholder and community voice.

4b (Code:) (Expenses $ 28900 including grants of $) (Revenue $)

350 Bay Area's Clean Energy Program advocates an Advanced Community Energy Model for California to modernize and democratize energy generation and delivery. We seek a resilient and stable grid capable of providing all the renewable energy and storage necessary to reach California's climate goals. We support and protect Community Choice Energy (CCE) from challenges by the investor-owned utilities. Nearly everyone in the Bay Area now receives their electricity from energy generation purchased by CCE's, rather than investor-owned utilities.

We are recognized by the California Public Utilities Commission as a legal party in rule-makings related to roof-top solar incentives, microgrids, and other distributed energy resources. We also consult with legislators and and other non-profits to promote local, decentralized resiliency, to support CCE's and more socially equitable ways of reaching 100% renewable energy.

4c (Code:) (Expenses $ 35640 including grants of $) (Revenue $)

350 Bay Area's Mobilizing Team recruits volunteers to support the organization's greenhouse gas emission reduction programs; organizes direct action activities that call attention to our campaigns and key climate issues; and provides social media and other communications support, to increase awareness of our work and effectively reach out to Bay Area residents.

Our youth climate organizer focuses on recruiting, retaining and training a diverse group of youth new to climate activism to support them in becoming future leaders in the climate movement.

The team serves as the key intake source for new 350 Bay Area volunteers and organizes community building activities such as cross-generational mentoring opportunities with experienced activists.
