Part X : FIN48 Footnote	Uncertain tax positions - For the year ended June 30, 2020, the Foundation has considered recognition requirements for uncertain tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Foundation has analyzed tax positions taken for filing with the Internal Revenue Service and all applicable state jurisdictions. The Foundation believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Foundations financial position.
