X 2	Accounting principles generally accepted in the United States of America require the University's management to evaluate tax positions taken by the University and to recognize a tax liability or asset if the University has taken an uncertain tax position that will more-likely-than-not be sustained upon examination by taxing authorities. Management has analyzed the tax position taken by the University for the year ended June 30, 2020 and believes that there is no such position as of June 30, 2020. Accordingly, no asset or liability has been accrued.
