Part V, Line 4: Intended uses of the endowment fund.	In 2011, the United Way of York County's Board of Directors established a Quasi-Endowment fund with The Foundation for the Carolinas. The purpose of the Quasi-Endowment fund is to give community donors an opportunity to offer legacy and planned gifts to support United Way Community Priority Impact initiatives aligned with Education, Financial Stability, Health, and Basic Needs. A Quasi-Endowment Fund is treated like an Endowed Gift Fund such that an annual spendable income is calculated and available for distribution. However, the United Way of York County's board has the authority to add and/or withdraw funds as needed based on needs of community.

Part X : FIN48 Footnote	<p>The Organization has received a determination letter from the Internal Revenue Service (IRS) indicating it is a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and is subject to federal income tax only on net unrelated business income. Management has determined that the Organization has no current obligations for unrelated business income tax. Accordingly, no provisions for federal and state income taxes are required. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax position taken by the Organization, and has concluded that as of June 30, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for tax years prior to 2017.</p>

Return Reference	Explanation
Additional Supplemental Information	Agencies seeking direct funding through UWYC must meet eligibility and financial reporting requirements and demonstrate that their local programs meet identified needs and issues. Agencies approved for funding must submit quarterly financial and quarterly outcome reports to maintain accountability and transparency to receive funds. Agencies failing to submit reports in a timely manner may face penalty or forfeit remaining funds for noncompliance of Memorandum of Agreement. The Community Investment Process is a cost-effective way to evaluate agency program applications and to ensure that the people who live and work in the community served by UWYC are represented in funding decisions. The annual Community Investment process utilized 43 local volunteers that were assigned to teams that review program applications, make site visits to agencies, and interview agency leadership to make informed decisions and funding recommendations. Volunteers come from a wide array of business, government, health care, education, and other professions. UWYC trains these volunteers in evaluating program outcomes and reviewing agency financial information. This year we added volunteers that were experienced in financial stability. We specifically engaged individuals with expertise in financial literacy and workforce development. The volunteers examine key indicators related to program and agency performance as follows: 1. The programs ability to serve a critical need within the community; 2. The extent to which the outcomes are effective, client-focused measures of Community Program success and related to community priorities; 3. The programs alignment with the UWYC financial stability indicators and 4. The appropriateness of the service delivery strategies for the population receiving services.

Form 990 Page 1 Part I Summary -	<p>United Way of York County, SC (UWYC) Mission Statement is: Help 3,000 York County families achieve financial stability by 2030. As the backbone of our new issue-focused model, UWYC has set a Bold Goal to help 3,000 York County Families achieve financial stability by 2030. A financially stable family is one that can meet their needs without assistance. It is easy to be passionate about work that matters. To achieve the bold goal, UWYC has focused its efforts on the root causes of poverty in York County that are under-addressed, most pressing, and that can be led by United Way. By analyzing the data provided through needs assessments, community summits, and conversations with clients, UWYC believes that they can significantly move the needle in leading families towards financial stability by focusing on two Root Causes: Underemployment and Need for Financial Literacy. UWYC believes that the overlapping and intersecting nature of these root causes will allow United Way to tell a story of success in York County. Through multiple programs, the agency will be able to lead working families toward financial stability.</p> <p>United Way Summit Series: In the fall of 2019, the United Way did a series of community summits to determine which roots causes were most pressing to York County families. Between August 29 and November 21, 2019, 183 non-profit, religious, educational, and government leaders from around York County attended at least one Community Summit hosted by United Way of York County. These leaders, representing 97 distinct agencies, were sent a short survey asking them to reflect on their experiences. 81 responses were completed for a 44% completion rate. Below is the data from that survey. UWYC feels that the most prevalent finding from the summit series was the need for collaboration among and between agencies. 97.3% of all participants and 96.5% of those who attended all three summits agreed that there were opportunities to network with other participants that will lead to future collaboration. UWYC is dedicated to an evidenced-based, data-driven focus; providing statistics and metrics to our community partners to back up our claim that Financial Stability is an issue in York County is a step in the right direction towards our Bold Goal. 90% of those who did not originally think Financial Stability was an issue in York County have changed their mind, following the summit series. With only half of agencies working in Financial Stability, it shows that there is room for growth and improvement in this area in York County. 51.4% of the attendees work in the space of Financial Stability in any capacity. UWYC's new direction seeks to fill a gap in services in York County. Moving towards community-level tracking on Financial Stability in York County is not something that will happen overnight. The summit series revealed that Financial Stability tracking on a meaningful, community level is not happening in York County. 43% of organizations working in the space</p>

Root Cause Indicators: In addition to the findings of the summit we also worked with Winthrop University Department of Social Work to determine the specific causes of poverty affecting York County families. A lack of skilled workers and a need for training were identified as gaps in the educational system in York County. United Way believes this is a space where our work can effectively help alleviate poverty and dependence on assistance for York County families. Addressing the root causes of Underemployment and Financial Literacy will help families to cope with unforeseen circumstances by providing financial coaches and financial literacy training. In addition to financial literacy programs, UWYC's new model will help families achieve employment that provides a living wage. Families that are budgeting and making wise financial decisions are more likely to be successful in obtaining adequate and permanent housing. UWYC staff believes that by selecting overlapping and intersecting root causes, they have created an opportunity for agencies to provide bundled services, which studies have shown, lead to greater success in achieving financial stability. By organizing efforts around the two root causes, UWYC believes that organic community collaboration will form between the agencies in each space. Though UWYC cannot touch every aspect of poverty, the hope is that by facilitating collaboration, UWYC can directly bring agencies together. Through their leadership in the areas of Financial Stability, UWYC will lead the charge in combating the cycle of poverty, providing an alternative to government assistance, addressing expected individualism or the stigma around getting help, and help heal a broken system. This research aided in deciding our new direction. We carefully reviewed our potential to impact a variety of social issues and determined we would have the greatest capability and capacity to impact the issue of financial stability. Because of the research and significant deliberation, our board determined that UWYC can best meet the needs of our community and donors by adopting an issue focus that addresses financial stability in our community. In April of 2019, the board and staff launched our bold goal: Help 3000 families achieve financial stability by 2030. UWYC is changing because we want to be as effective as possible in our community- we want to measurably change lives in York County. The issues our community faces are complex, and we cannot change our community's situation without concentrated efforts. We must focus our efforts and our funding criteria. Our donors expect us to play an engaged role in impacting the community that goes beyond vetting our agencies and allocating funds to responsible partners. We want the community to come together to find solutions and not band-aids to this issue. As part of our comprehensive, community-focused effort, UWYC has put a priority on tracking the progress York C</p>

As a step in the process towards a sophisticated community-level tracking system, UWYC has identified key outcomes that we would like to achieve to signify our progress towards helping 3,000 York County Families. For financial literacy, our initial short-term outcomes are individuals increase knowledge of effective financial practices; and individuals achieve financial self-sufficiency. UWYC's underemployment outcomes are individuals learn job hunting and/or soft skills training to gain employment at a livable wage; and families are supported along the path to financial stability through programs for dependents. We know, of course, that individuals will likely not be able to achieve financial stability in one year. By focusing on reasonable and attainable outcomes throughout the 10-year period, we can be sure to lead our agencies and clients through the long process towards financial stability. In order to track the progress that we are making on our outcomes, UWYC has identified indicators that Financial Stability Partners will be reporting on during the 2020-2021 allocation year. By making sure that partner agencies are providing key programs and services for families throughout the year, UWYC will receive quarterly reports on the indicators that each partner agency is addressing.</p>

Upon payment verification and recommendation for assistance from these agencies, UWYC issues payment on behalf of the client to York County Natural Gas Authority. For fiscal year 2019-20, 93 families received a total of \$22,925 through this program.</p> <p><b>Holiday Partners:</b> In partnership with OTS Media/WRHI Radio Stations Toys for Happiness Program and The Heralds Empty Stocking Fund, United Way of York County, SC, coordinates Holiday Partners, a program that provides toys and gifts to children birth to 14 years old during the holiday season. Applications are taken by the various school districts in York County, nonprofits, and other groups. United Way hosts a centralized database to assist in avoiding duplication of services and resources. Families must provide documentation for each child and demonstrate a need for our services. Holiday Partners depends on the generosity of the community either through financial or toy donations. Volunteers from various business and civic groups assist in all aspects of the program from collecting money, toys, taking applications, setting up the toy warehouse, and assisting with the distribution on various days during the holiday season. Last year over 250 volunteers gave more than 700 hours to provide magical memories for over 1,100 children in our community.</p> <p><b>Connecting the Dots:</b> Connecting the Dots is a free half-day empowerment conference that connects attendees with opportunities to get connected to resources in seven key areas: Career Development, Educational Programs, Financial Literacy, Affordable Childcare, Public Transportation, Affordable Housing, and Mental Healthcare. Guided by volunteers with human services experience, participants complete an evaluation matrix during check-in to identify their areas of priority and plan for the day. These volunteers, referred to as Navigators, will be available throughout the conference to help guide participants through the events and encourage participation in relevant events. Participants will be able to hear dynamic speakers, attend an empowerment workshop, visit a resource fair with vendors representing employers and services from throughout the county, and attend a targeted breakout session in order to get important and key information in a smaller-group setting. The National Board selected United Way Worldwide to once again serve as Secretariat and Fiscal Agent to the National Board. Form 990 Page 2 Part III Line 4b	<p>Community Investment Process: Agencies seeking direct funding through UWYC must meet eligibility and financial reporting requirements and demonstrate that their local programs meet identified needs and issues. Agencies approved for funding must submit quarterly financial and quarterly outcome reports to maintain accountability and transparency to receive funds. Agencies failing to submit reports in a timely manner may face penalty or forfeit remaining funds for noncompliance of Memorandum of Agreement. The Community Investment Process is a cost-effective way to evaluate agency program applications and to ensure that the people who live and work in the community served by UWYC are represented in funding decisions. The annual Community Investment process utilized 43 local volunteers that were assigned to teams that review program applications, make site visits to agencies, and interview agency leadership to make informed decisions and funding recommendations. Volunteers come from a wide array of business, government, health care, education, and other professions. UWYC trains these volunteers in evaluating program outcomes and reviewing agency financial information. This year we added volunteers that were experienced in financial stability. We specifically engaged individuals with expertise in financial literacy and workforce development. The volunteers examine key indicators related to program and agency performance as follows: 1. The programs ability to serve a critical need within the community; 2. The extent to which the outcomes are effective, client-focused measures of Community Program success and related to community priorities; 3. The programs alignment with the UWYC financial stability indicators and 4. The appropriateness of the service delivery strategies for the population receiving services. The following summarizes activities of United Way of York County at June 30, 2020: The volunteers were divided into four focus areas based on grant submissions. The groups were responsible for vetting our three financial stability indicators (Workforce Development, Financial Literacy and Supportive Services) and the fourth was Traditional grants. We did allow traditional organizations that represent basic needs and health services to participate in this year's grants cycle. To be eligible for a Traditional grant and agency had to receive funding during the 2018-19 grant cycle. This will be the UWYC final year of accepting traditional grant applications. Community Investment Cabinet (CIC) consists of volunteers and United Way board members. The CIC evaluates the funding proposals in relationship to the board approved financial stability root cause indicators and potential for creating lasting change with available funds for program distribution. The CIC's funding recommendation is acted upon and approved by UWYC's Board of Directors based on each year's projected revenue results. Form 990 Page 2 Part III Line 4c	<p>COVID Family Fund: The United Way of York County found the impact of COVID-19 on families was far-reaching. Many were experiencing financial setbacks due to reduced wages, loss of jobs, or access to childcare are just some of the challenges families are facing. We know that even in stable times, a single, unexpected expense can send a family into a financial situation from which it is difficult to recover. COVID-19 changed the landscape for working families in York County. In March 2020, the York County unemployment rate was at 2.9% by May 2020, it had jumped to 12.5% and in June it was still at 9.6%. The industry groups with the largest number of unemployment claims include accommodation and food services, administrative support and waste management, health care and social assistance, manufacturing, and retail trade- those who were already struggling to make ends meet. Our commitment to helping families on the path to financial stability has been more important than ever during this pandemic. The COVID-19 Family Fund helped those impacted avoid eviction or foreclosure; ensured that our citizens do not go without critical utility services; and assured families had access to supportive services for their loved ones. 100% of the contribution went to support non-profits directly serving our neighbors facing economic distress associated with COVID-19. The fund raised \$24,960.</p>
