Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The University is recognized by the Internal Revenue Service as an organization exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), except for taxes on income from activities unrelated to its exempt purpose, if any. The University evaluates its uncertain tax positions using the provisions of ASC 740 Income Taxes. The University follows the criterion that an individual tax position has to meet some or all of the benefits of that position to be recognized in the University's financial statements. The University determines whether the relevant tax authority would more likely than not sustain that tax position following an audit by a tax authority. The University has applied this criterion to all tax positions for which the statute of limitations remains open. Prior tax years open to examination by tax authorities under the statute of limitations include fiscal years 2016 through 2019 for the U.S. Federal and state of Georgia jurisdictions. The University has determined that its tax positions satisfy the more likely than not criterion and that no provision for income taxes is required at June 30, 2020 and 2019. The University has a policy to record interest and penalties (if any) related to income tax matters in income tax expense.
