Supplemental Information

Return Reference	Explanation
Part X, Line 2:	The College is recognized by the Internal Revenue Service as an organization exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), except for taxes on income from activities unrelated to its exempt purpose. The College evaluates its uncertain tax positions using the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740 Income Taxes. The College follows the criterion that an individual tax position has to meet the relevant technical requirements for the position to be recognized in the College's consolidated financial statements. The College determined that the relevant tax authority would more likely than not sustain the tax position following an audit. The College has applied this criterion to all tax positions for which the statute of limitations remains open. The College has a policy to record interest and penalties (if any) related to income tax matters in income tax expense. The College has determined that its tax positions satisfy the more likely than not criterion and that no provision for income taxes is required at June 30, 2020 and 2019. For the years ended June 30, 2020 and 2019, no interest and penalties were recorded.
