Form 990 (2019)

Form 990, Part III, Line 4a:

Founded in 2001, King's Ridge Christian School ("KRCS") is an independent, multi-denominational Christian school in north metro Atlanta. We believe our college bound students should be individually known for their unique gifts, talents, and learning styles. Students who are known are more encouraged in their academics and have a better understanding of how they can impact the world as they develop into self-directed learners, self-aware leaders, and self-confident servants. Students attend school on a 70-acre campus with separate facilities for Lower, Middle, and Upper schools. The culture is one of trust and respect with an expectation of integrity with an Honor Code, community service at every grade level, mission trips, and student leadership opportunities. We challenge our students with a rigorous honors program and Advanced Placement curriculum, coupled with a pedagogy embedded in a Christian emphasis. KRCS strives to develop the whole child academically, physically, spiritually, socially, and ethically. CO-CURRICULAR OPPORTUNITIESThe King's Ridge Christian School co-curricular environment is a natural extension of the classroom. Students gain skills through relevant and engaging activities. **GEORGIA HIGH SCHOOL ASSOCIATION** - King's Ridge is a member of Georgia High School Association, participating in various sports and activities such as literary and one act play competition with the goal of reaching state-level competition while honoring God by using the talents He provides. **ATHLETICS** - Athletic participation includes varsity level programs built as a result of foundational level rec style teams, starting in first grade. King's Ridge strives to train athletes to compete at the highest level, so the opponent knows they have given their opponent a great game at the end of the contest. Student-athletes may participate in any number of sports (football, volleyball, cross country, softball, swimming, basketball, baseball, tennis, golf, track & field, equestrian, lacrosse and soccer) over a 3-season schedule. When not actively competing they commit to off-season conditioning and training through a custom-designed strength, conditioning and agility program to be fully prepared for future success. This dedication to preparation has resulted in an ever increasing number of King's Ridge student athletes being pursued by college level programs.

Return Reference	Explanation
Part I, Line 2:	Parents/guardians are required to apply for financial aid by submitting the parent's financial statement form through the school and student service for financial aid (SSS) of the National Association of Independent Schools. A copy of the parent's financial statement form, income tax statement, W-2's and a cover letter describing the specific reasons for seeking assistance are submitted to the school's business manager. SSS provides the school and parent their analysis of the parent's financial statement along with their recommendation on the amount the parents are able to pay toward tuition. The financial aid committee reviews the information provided by the parents and SSS. Each application is discussed and initial financial aid amounts are determined. The committee gives priority to funding high school students financial aid needs followed by middle school students financial aid needs and finally lower school students financial aid needs. The committee reviews the initial financial aid amounts and makes modifications based on total funding available and to ensure financial aid amounts are consistent for students with similar financial situation within the same school levels. (lower school, middle school, and high school). The committee also ensures that all AAAIS (Atlanta Area Association of Independent Schools) guidelines are followed. All applicants are notified of the decision of the financial aid committee. All applicants that are awarded financial aid are given two weeks to accept or reject the offer. Upon acceptance by the applicant, the financial aid award is communicated to the school accountant who ensures the financial aid is applied to the applicants account.
