The policy is reviewed periodically and amended if needed by the Board of Directors. 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part IX, Line 24d:	Bad debt expense is tied to loans to various Haitian businesses, organizations, or individuals (entities) that live, work, and play within the communities the Organization serves. It is vital that the entities supported are focused on not only economic activity but also enhance community sustainability or development and environmental sensitivity (social business). The allowance for loan losses is maintained at a level that, in management's judgment, is adequate to absorb probable loan losses. The amount is based upon an analysis of the loan portfolio by management including, but not limited to, review of the collectability of the loans in light of historical experience, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral, and prevailing economic conditions. This process is based on estimates and ultimate losses may vary from current estimates. As changes in estimates occur, adjustments to the level of the allowance are recorded in the provision for potential loan losses in the period in which they become known.
