SCHEDULE D, PART X, LINE 2	FIN 48 (ASC 740) Footnote The Association is exempt from Federal income taxes under the provisions of Section 501(c) (3) of the Internal Revenue Code. However, the Association is subject to income tax on unrelated business income. The Associations primary source of unrelated business income is from certain investments in a limited liability company. Income taxes incurred during the year, if any, are estimated to be immaterial to the financial statements. The Association files tax returns in the U.S. federal jurisdiction and in the state of Florida. Management of the Association considers the likelihood of changes by taxing authorities in its filed income tax returns and recognizes a liability for or discloses potential significant changes that management believes are more likely than not to occur upon examination by tax authorities, including changes to the Associations status as a not-for-profit entity. Management believes the Association met the requirements to maintain its tax-exempt status and has not identified any uncertain tax positions subject to the unrelated business income tax that require recognition or disclosure in the accompanying financial statements. The Associations income tax returns for the past three years are subject to examination by tax authorities, and may change upon examination.
