Form 990 (2019)

Form 990, Part III, Line 4a:

California CASA Association supports the development, growth, and continuation of programs that recruit and train volunteers to advocate for abused and neglected children throughout California. CASA volunteers establish stable supportive relationships with children in the foster care system, getting to know their unique history and making informed recommendations to the courts. California CASA Association improves the scope, quality, and impact of the CASA network by: a) strengthening local CASA programs with technical assistance, quality training, and resources, b) working in partnership with California Judicial Council to ensure that local CASA programs are in compliance with State and National Standards, c) communicating the CASA perspective and advocating for child welfare policies, and d) identifying and pursuing valuable strategic alliances that leverage and/or expand CASA program resources statewide. When California CASA Association was founded, only a handful of CASA programs existed. Today, with California CASA support and leadership, nearly every county in the state is served by a local CASA program. This translates to a network of 44 CASA programs and 8,798 volunteer advocates serving over 14,150 foster children in 51 counties throughout the state.

Part X : FIN48 Footnote	The Organization adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at June 30, 2020. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
