What is the organization's primary exempt purpose? The Science & Engineering Business Association (SEBA) creates a strong community of science and engineering students pursuing excellence in business. We aim to inspire an entrepreneurial spirit among our members by hosting events that allow them to interact with, and learn from, members of the business community. From these interactions, SEBA members will be able to generate relationships with our business partners, facilitating the exchange of ideas, and the creation of new business ventures.
