Return Reference	Explanation
Part I Line 2	The Board of Directors identifies which qualified 501c3 organizations have missions that are similar in mission to our own. In most instances, the board sets aside a specific amount of monies to donate to these qualified organizations after having researched their programs and finances thoroughly. MCPC Board of Directors will also review specific requests for project funding for the other organizations, in which case the recipient organization would be required to provide a project budget as part of the request and show actual financial history of how the funds are spent at the end of the project or during specific phases of the project, as the case may be. Should it subsequently be determined that an organization misuses donated funds, the organization will no longer be eligible for future funding and may be required to repay in part or in whole the donated funds.
