Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission:

Partners for Better Futures (PBF) helps improve the lives of poor people around the world, primarily focusing on children and education. PBF does this by partnering with local organizations that are deeply involved in their own communities, and participating in carefully evaluated projects and programs. There are three programs within PBF: Build a School in Burma (BSB), Build a School in India (BSI), and APC School Philippines (APC). Prior to the PBF's founding these programs had each operated for several years through "fiscal sponsors." In 2018 these operations joined together in a shared purpose, to help produce better futures for under-served people around the world. In 2020 BSB made grants that resulted in new or renovated school buildings for 12 schools, APC made grants to the APC School in the Philippines. This year several start-up grants were made by BSI to initiate vocational training and micro-finance instructional and support programs.

990 Schedule F, Supplemental Information

Return Reference	Explanation
Schedule F, Part I, Line 2	PBF provides a Proposal form to prospective grantees, stating PBF's mission, grant criteria, and grantee requirements, and how use of the grant funds will be monitored. After a grant proposal has been submitted to PBF, the PBF Executive Committee (EC), along with the Country Director (CD), evaluate the proposal. Typically the CD and one or more of the EC members will visit the site of the proposed grant project, meet with the grantee organization leaders, gather information and make inquiries, to decide whether to make the grant. Documents include (1) Grant Proposal, (2) Budget, (3) Photos of the proposed building site and local environment. The EC, along with the CD, evaluate the proposals primarily for expected impact towards achieving PBF's mission. If a decision is made to make a grant, a Grant Agreement is drafted and signed. All these documents are recorded in a "Slack" database, channel specific to the grant. After the grant is made, the PBF CD monitors progress towards achieving the purpose of the grant, primarily by making periodic visits to the site, and documents in monthly reports and photo logs. to ensure funds are properly used in accord with the terms of the grant. The monthly reports are saved in the "Slack" system, which is accessed by members of the PBF EC. Throughout the year, PBF board members review results of each grant, including compliance with terms of each grant. For grants that are for programs or activities, not for construction, a different process is used. For grants such as to the "APC School" program, and the "Build a School in India" program, monitoring of grants is performed by review of annual and periodic reports from the grantee, and ongoing communication with the program manager and the grantee. The "cash" basis of accounting was used for all grants. The primary beneficiaries of PBF grants are the approximately 1,000 students in the schools benefited by grants of PBF this year. Other persons who benefited are the teachers, and families of the students.

East Asia and the Pacific		1	Grantmaking	The "Build a School in Burma" program (BSB) makes grants to build school buildings in Burma, aka Myanmar, primarily for villages and under-served communities where there are no schools, or only overcrowded or school buildings in poor condition. There generally are school committees, or churches or monasteries, that are involved in the grant process. BSB has one employee, a Burmese citizen, who helps evaluate grant proposals, and who helps monitor use of grant funds. BSB criteria makes grants where there is a strong need, other attempts for buildings have not been productive, where communities are actively supportive of whatever school there is, where teachers will be paid by government, community, or church groups, and where the building plan is appropriate and BSB has funds available.	393,611
East Asia and the Pacific	0	0	Grantmaking	The APC School program provides grants to the Apu Palamguwan Cultural Education Center (APC), Philippines, which is an indigenous-people-based educational institution located in the village of Sitio Bendum. In 2004, the Department of Education formally recognized and granted APC a permit to operate as an upland elementary school for all children. The mission of APC is to provide an integrated, holistic, and culture-based education for the indigenous children and youth along the Pantaron Range. APC achieves this by promoting and deepening the children's understanding of their unique culture, while providing knowledge and skills that enable them to confidently relate with mainstream Philippine society.	88,850

The largest grants have been to support the Mata Balak Utkarsha Pratishathan (MBUP), Utkarsha Vidyalay school that provides educational opportunities for underserved children in Sangola, Solapur District, Maharashtra. The school was started in 1983 with a pre-kindergarten program, and expanded over the years to include, with BSI's support, a 4-year high school. This year several start-up grants were made by BSI to initiate vocational training and micro-finance instructional and support programs that are expected to expand in the coming years.	4,004

		East Asia and the Pacific	Gwa Sone post primary school, Burma. This school had more than 250 students in 2018-19 school year. The existing school building was much too small to accommodate all the classes, so many classes have been conducted in cyclone shelters and houses scattered throughout the village. The community leaders and school committee had asked their government to build a new school building, but no help had been provided. Myanmar Heart Development Organization, a local NGO, brought the need for this school building to BSB's attention, and received the grant from BSB to fund construction of the school building. Construction began in late 2019, and was completed in March 2020, ready to be used in the next school term.	63,370	Wires to local NGO Myanmar Heart Development Org'n	0		
		East Asia and the Pacific	Gam Ngai school, Burma. This grand provides a new 5 room building to accommodate expansion to the high school level (grades 9 and 10) in this poor community. Gam Ngai school serves six villages and had classes only through the 8th grade. The school needed improvements, including classroom partitions, to enhance the learning environment. The nearest high school is quite far, 2 1/2 hours by 4WD vehicle, and the students must board there (Tiddum town) to attend. Most families can not afford this. The village education committee had asked their government for a new building for high school (80 students, grades 7 through 11) but they were told the government had no funds to help the school. With PBF's help, and with the participation and support of the village, construction on a new high school building began in March 2020, and is expected to be completed by fall 2020.	26,472	To School Committee, monitored by PBF Country Director	0

		East Asia and the Pacific	Ho Lain school, Burma. The purpose of this grant was to construct a new building to expand a primary school to a post-primary school (adding grades 5 - 7) in Ho Lain village. The grant was made to Northern Shan States Union Baptist Association (NSSUBA), and the beneficiary is Ho Lain school, a public school. NSSUBA worked with PBF on two previous projects. NSSUBA contributed two latrines. Construction began in late 2019 and was completed in March 2020. The new building includes three classrooms, a solar lighting system, and ceiling-high movable partitions. A gravity flow water storage system provides water for the school and the village. The school will serve Ho Lain and two other nearby villages.	24,409	Funds to NSSUBA which paid contractor.	0		
		East Asia and the Pacific	Kaw Bat Chan school, Burma. This school currently serves 60 primary school students and 27 preschool students. Students from three smaller neighboring villages attend this school. The existing school buildings were termite damaged and unsafe. There were no partitions, and too few desks. The nearest high school is 4 miles away, too far for students in this village to continue their education while staying at their family homes. A local non profit that is helping the villagers, the Karen Women's Empowerment Group, ("KWEG") asked BSB to help - to provide a safe, good quality learning environment for the students, and classroom space for middle-school. Construction of a new 30" by 90" began in early 2020, and is expected to be completed by fall 2020. The grantee for the project is KWEG, and the beneficiary is the Kaw Bat Chan school, a public school, represented by the Kaw Bat Chan School Committee. The school is in Bago Region, a five hour drive north from Yangon, close to Kayin State.	38,211	Wired funds to local NGO KWEG	0

		East Asia and the Pacific	Karin Shin Da B School, Burma. This grant from PBF funded construction of a new building to add middle-school grades to this primary school in this poor remote village. The Karin Shin Da B school committee asked PBF for help constructing a new school building. The primary school, now serving 51 students, was overcrowded, and in very poor condition. For students to continue beyond grade 4, the nearest middle school is several miles away and impractical for students to attend, particularly during the rainy season. With the new building the school will be expanded to include middle school grades. This village is near the Tavoy river, about 1 1/2 hours drive from Dawei, Myanmar (also known as Burma). Construction began in early 2020, and is expected to be completed by fall 2020.	24,002	PBF Country Director disburses to contractor and vendors	0		
		East Asia and the Pacific	Moe Kyo Pyit school. A new building for this primary school has recently been completed (August 2019). Before the new building was constructed, classes were conducted in a dilapidated temporary structure that villagers made by their own effort. A new permanent building was badly needed. There are about 80 KG to 4th Standard students in this primary school.They are mostly all paddy (rice) farmers and very poor. The new school is a 30' x 60' three room structure (concrete foundation, brick walls, steel truss frame and metal roof), with a two-unit toilet, tube well and water tank. BSB also installed solar electricity in the new school. Moe Kyo Pyit village is located in the Ayeyarwady River Delta region, about 5 hours drive from Yangon. The grant was made to the Moe Kyo Pyit School, represented by the Moe Kyo Pyit school committee. PBF also disbursed funds for this grant in 2018. Use of grant funds was closely monitored by PBF's country director.	19,547	School committee disbursed to contractor and vendors	0

		East Asia and the Pacific	Nee Ku Dee school, Burma. The PBF grant funded construction a new building for a primary school in Nee Ku Dee village in Kachin State in northern Myanmar. The building replaces a rough, temporary bamboo and thatch structure with a safe, good quality learning environment, and provides space to add grades 3 and 4 for the children of this remote village. Most of the residents of this village are refugees who were displaced by fighting in their home villages. Construction began in December 2019, and was completed in February 2020. In the 2020 academic year (beginning in June), 90 students are expected to attend K through grade 4, and 33 students are expected to attend preschool. The grant was made to Nee Ku Dee school, represented by the Nee Ku Dee school committee. Construction and use of grant funds was closely monitored by PBF's country director.	36,040	Disbursements by school committee, monitored by PBF CD.	0		
		East Asia and the Pacific	Pwe Hnyet San school, Burma. A grant to fund construction of a new building to extend this primary school to conduct middle-school classes. In 2018 villagers erected a temporary wood and thatch building to begin providing middle-school classes (grades 5 through 7). Early in 2019 the village school committee asked BSB to help construct a good quality building, to provide safe classrooms for post-primary grades. BSB planned and organized the project. The community is excited about a new building so their children can continue their education while living at home with their families. Construction began in late 2019, and construction was completed in early 2020. The community is excited that their students can continue education through post-primary grades, without having to leave their home village. The grant is to the Pwey Hnyet San school, represented by the Pwey Hnyet San school committee.	10,941	PBF Country Director disbursed to vendors and contractors	0

		East Asia and the Pacific	Pyin Nyar Parami Shwe Kaung school (PNPSK), Burma. A grant to fund completion of a partially built classroom building, for a monastic school from kindergarten through high school. The school enjoys strong support from the villagers, who mostly farm sesame, peanuts and beans. Mar Mar Win, a former student of the director of PBF's Burma schools program, asked PBF to help complete construction of a new classroom above an existing building. Construction was completed in March 2020, in time for the beginning of the new school year in June. Some school classes are still held under the monastery mango tree, so a possible second phase could be to add another classroom block. This village is about 1 1/2 hours drive southwest of Mandalay. The grant is to the PKPSK school, represented by the PKPSK school committee, and the head monk of the PKPSK monastery.	9,119	PKPSK head monk paid vendors and contractors	0		
		East Asia and the Pacific	San Chi West school, Burma. This school has 72 students, from kindergarten through grade 7. A bamboo and thatch building was constructed through the villagers' own efforts, but because of storm damage it can no longer be used. The school committee asked for PBF's help to construct a new building that will be a safe, good quality learning environment. The brother of PBF's country director lives nearby and is helping monitor progress on this project. Construction began in early 2020 starting with purchases of construction materials, and gathering sand and gravel from the nearby Tavoy river. 		East Asia and the Pacific	Tet Tet Gu high school, Burma. A grant to fund a new building for a school that was badly in need of new classroom buildings, primarily to add high school classes, but also to replace "temporary" buildings (roughly made of bamboo and thatch), and buildings that are in very poor condition. The school has over 500 students, and this number will grow with the addition of high school classes. The village has more than 350 households, and a population of about 2,300. Children from this village and 3 neighboring villages come to the school daily by boat. Most villagers are poor, and work for daily wages farming rice, or catching fish, crabs and eel, or and stitching leaves into thatch. The grant is to benefit the Tet Tet Gu high school, represented by the Tet Tet Gu school committee.	34,344	PBF country director disbursed to vendors and contractors.	0		
		East Asia and the Pacific	Zaw Ti Kar Yar Ma (ZTKYM) school, Burma. A new school building will allow expansion of this primary school to offer middle school classes, so local children will be able to study longer near their homes, and will not have to move away to continue their education. The existing school was built by the villagers and all the buildings of temporary materials like bamboo and thatch. This is a very poor region of Myanmar and opportunities for education are very limited. The new building is a four room permanent brick structure. The project will also include a water well and a rooftop solar electricity system to power lights for night study and mobile devices. Construction began in early 2020, and is expected to be complete by fall 2020, subject to possible delays due to the Covid-19 pandemic. TYKYM is a monastic school in a remote village in Sagaing Division. The grant is for benefit of the ZTKYM school, represented by the school committee and the TYKYM monastery head monk.	34,397	PBF Country Director disburses to vendors and contractors	0
