28. Immigrant Driver's License Program - Holding a driver's license is foundational to community participation and integration and is
required for stable employment and civil protections. Alianza NORCO started its license program over three years ago in response to the
complexity and implementation of state legislation SB13-251 that gave undocumented and temporary legal residents access to driver's
licenses. In the last fiscal year, we have been able to assist 180 people understand the required documentation and, when ready, assist with
scheduling appointments at the DMV and intervene when problems arose. Our goals are to increase our undocumented community's
knowledge of how to obtain a driver's license, advocate for removal of the DMV's inequitable barriers for license applicants, and advance
the data privacy protections within the DMV for the SB13-251 license recipients with a comprehensive state data privacy law.
